During these seven years pay has been frozen for two and limited to a rise of 1% in the other five. This has led to wage rises being significantly outstripped by inflation, handing millions of public sector workers a real terms pay cut.</i></p>	

*Tameside Council values the work of all public servants, a category of employee that includes teachers, firefighters, police officers, nurses and all directly employed workers here at the Council. We believe that the Government should value the work of the nation's public servants and end the year on year cuts to their wages.*

*This council supports the Trade Union campaign led by the GMB to end the public sector pay pinch and calls on the government to commit to:*

*An end to public sector pay cuts;*

*Proper funding for public services;*

*Restoration of independence for the Pay Review Bodies;*

*A real Living Wage of at least £10 an hour for all public sector workers.”*
