

## **SCRUTINY ANNUAL WORK PROGRAMMES 2023/24**

### **1. INTRODUCTION**

- 1.1 Tameside Scrutiny Panels are required to publish an Annual Work Programme of planned activity for the municipal year ahead. The programme of work will cover a two-year rolling period to be reviewed, updated and agreed on an annual basis.
- 1.2 Scrutiny activity aims to reflect priority issues across the Council and external partners. Work will continue to improve the flexibility, responsiveness and reporting methods of all scrutiny activity undertaken during 2023/24. Discussion from Scrutiny Panels held in June 2023 has directly informed the list of topics and planned updates 'check and challenge', for the year ahead.
- 1.3 Each year a range of emerging topics and issues may require the attention of Scrutiny. It is therefore important to ensure efforts are best placed to support and influence effective decision-making, with a focus on improving outcomes for residents and communities.

#### **Scrutiny activity in Tameside**

- 1.4 There is a range of options available to each Scrutiny Panel as to how activity is planned and undertaken. Scrutiny Chairs will work closely with panel members in order to adopt a combination of approaches to review service and performance updates, respond to formal consultations, focus reports of the Local Government and Social Care Ombudsman and areas in need of more in-depth review. This includes a responsibility for:
  - Research and insight on a particular issue, including desktop reviews
  - Review of decisions and recommendations
  - Follow-up (from previous review / recommendations)
  - Engagement and consultation – to provide responses to pre-decision activity
  - Consideration of decisions and reports of the Ombudsman
  - Receive updates on key issues as they arise
  - Active monitoring of national and regional policy and substantive variation to services
- 1.5 The work programme is ambitious and it is not expected that all topics will be covered during the year, but more an agreed list from which to select items. Scrutiny will remain mindful of budget pressures, regulatory frameworks and the demand on statutory services. Through each work programme, the scrutiny of key partners will be planned where appropriate and relevant. At times, Scrutiny may also consider work and outcomes associated with individual delivery panels of the Executive.
- 1.6 In addition to the work programme, all panel members will continue to receive a regular update email to inform of upcoming activity, access to scrutiny resources, engagement and consultation with regard to local, regional and national decision-making. This provides a direct opportunity for scrutiny members to contribute and respond to the range of activity taking place both within the Council and across partners.

### **2. WORK PROGRAMMES**

- 2.1 The Scrutiny meetings held in June 2023 provided members with the opportunity to comment and contribute to the list topics included in the annual work programmes.
- 2.2 Scrutiny activity will continue to be undertaken outside of the formal meetings and through working groups, with all findings and recommendations presented to the full panel for comment and approval. This flexibility can allow responsive and timely work to be undertaken, creating an enhanced opportunity to both influence and inform the impact of

decisions. It is also necessary to monitor and evaluate outcomes from past activity and to review the implementation of recommendations.

- 2.3 Where deemed appropriate, the wider development of scrutiny may include project support and service development work undertaken at the request of the Executive as a critical friend.

**Planned activity**

- 2.4 In order to prevent delay, Scrutiny Panels agreed topics to be considered at the next round of public meetings in July, as detailed below.

**Place and External Relations Scrutiny Panel – 25 July 2023**

At such a time, a decision will be made to assign a lead panel based on both remit and the subject matter. All aspects of activity will be made available to panel members to consider and respond.
