

# Tameside Neighbourhood Policing Team

Fight, prevent and reduce crime. Keep people safe. Care for Victims.

In March 2023 a new neighbourhood model was launched in GMP, which dedicates 2 inspectors, 6 sergeants and 32 PCs into neighbourhood policing. We work together with our partner agencies to fight crime and solve local problems, like burglary, drug dealing and road safety issues..

Through the back to basics approach , members of the public will know who their dedicated named teams who will be visible in communities and more accessible than ever before with a commitment made from our Chief Constable that they will be ring fenced on their neighbourhoods rather than backfilling other duties.

The neighbourhood teams also benefit from the support of neighbourhood Prevention Hubs and Neighbourhood Crime teams, to help them reduce and investigate crime in a way which secures the best possible outcomes for victims and communities. The PH work will also work with partners to address repeat offending and demand , while the NCT and NPT work together to target the offenders.

**Fight, prevent and reduce crime. Keep people safe. Care for Victims.**

# Performance Data

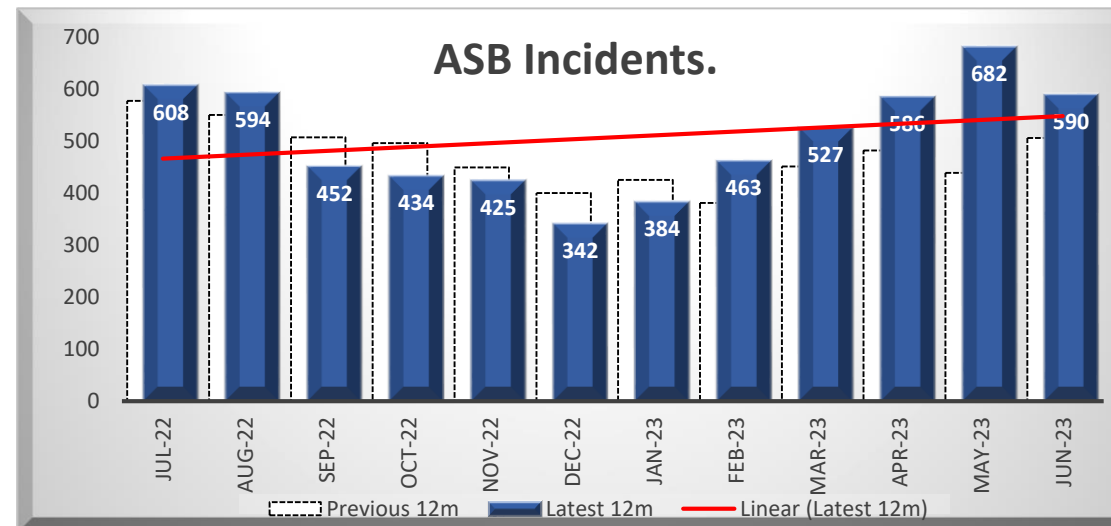

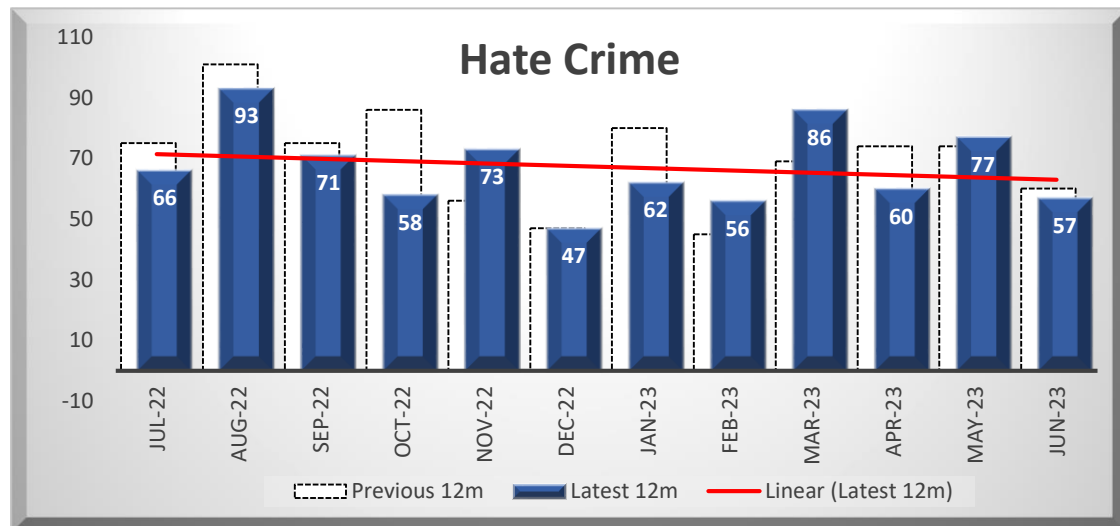

Fight, prevent and reduce crime. Keep people safe. Care for Victims.

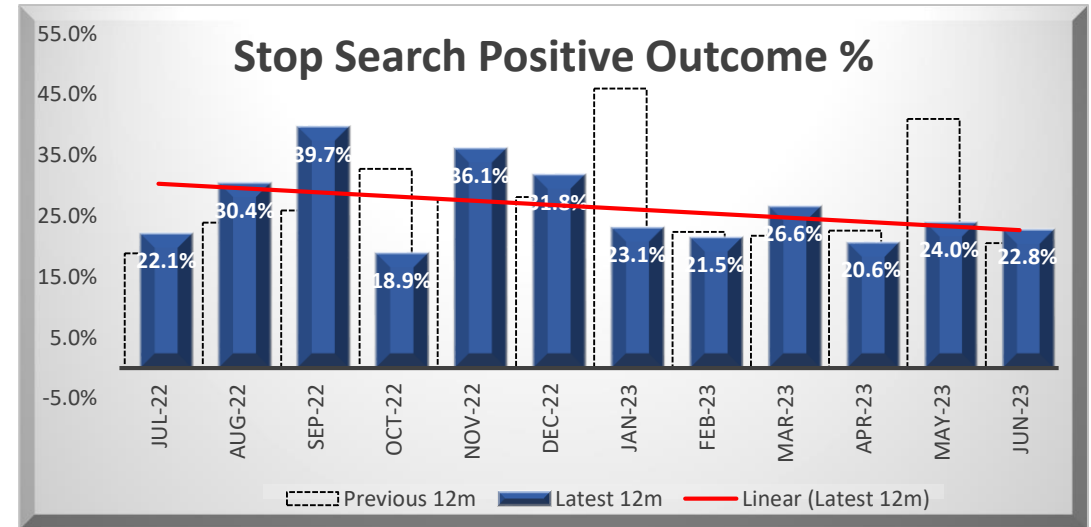

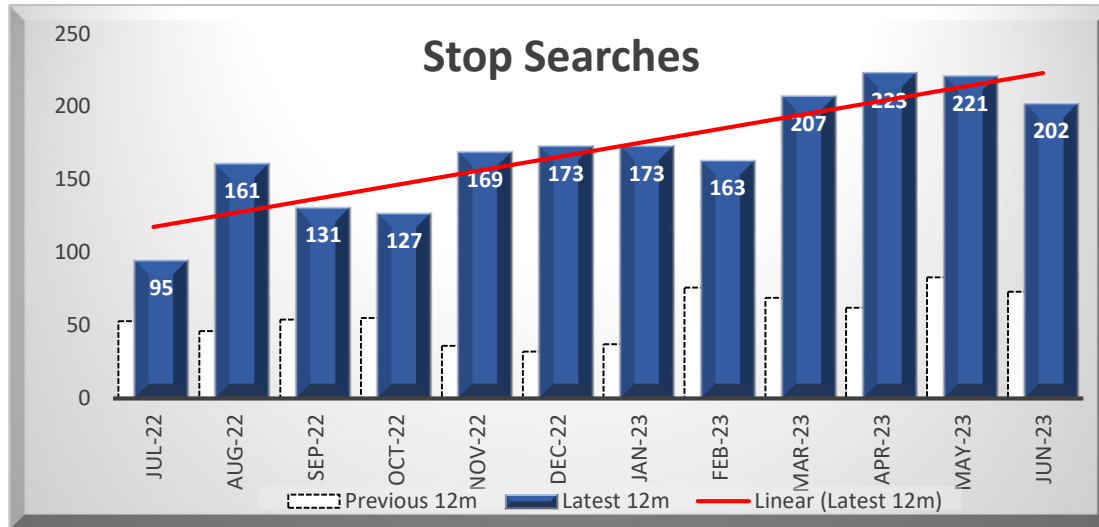

In 2021 – 2022 Tameside made 3674 arrests, in 2022 to 2023 this increased to 4012 arrests, a 9.2% overall increase, this is despite our recorded crime only increasing by 18 crimes. Our crime to arrest ratio has increased by 9.1%.

In 2021 – 2022 Tameside recorded 3306 neighbourhood crimes, in 2022 to 2023 this reduced to 2731 crimes, a 17.4% overall reduction. Our positive outcomes for burglary increased from 4.4% to 7.7%, despite the recorded crimes reducing by 274 in a year.

Our Hate crimes have reduced overall by 4.3% from 2021/2022 to 2022/2023, however, our ASB incidents have started to rise (7.5% increase from last year).

Stop search has increased by over 200% from 21/22 to 22/23. This is alongside a positive outcome rate of an average 26.5%, however, the previous year (21/22) our positive outcome rate was 28% so has dropped slightly – This has to be taken against a backdrop of an additional 1400 stop searches .

# Cannabis Farm disruption on two disused pubs

Officers in Tameside have uncovered two cannabis farms in separate derelict pubs this week and made an arrest.

On Wednesday (24 May 2023) officers found around 200 plants inside the Bull's Head on Knowl Street, Stalybridge, after being alerted by a utility worker.

No arrests have been made as the investigation continues.

However, a 37-year-old man is in custody after being arrested on suspicion of cultivation of cannabis and abstraction of electricity after a second farm was found in three days.

He remains in custody for questioning after officers found around another 200 plants in the former Woodman Inn on Oldham Road, Ashton-under-Lyne, today (26 May 2023).

Sergeant Rob Froggatt, of GMP's Ashton-under-Lyne Neighbourhood Policing Team, said: "Plants and production equipment have been removed from both locations for further examination."

# Off Duty Arrest

Whilst off duty shopping at Crown Point North Denton, PC 19553 Shazad was made aware by Crown Point Security who he works with frequently that there was a shoplifter on site at Flannels. He made his way to the defendant's vehicle where they had attempted to flee. The defendants were surrounded by Security and the Officer who had shown his warrant card and he detained all parties involved until patrols arrived. The male and female were stop searched and items belonging to Flannels and other stores were recovered from their person.

Both defendants have been charged for Theft and will be facing CPS.

# Arson Arrest

On Thursday 18th May, Neighbourhood officers arrested a 14 year old male for Arson offences at Hyde Bus Station. Officers are conducting investigations into a series of other Arson offences in the area to identify offenders.

The Hyde Neighbourhood team will be taking a strict approach and a zero tolerance policy against anti-social behaviour in the area.
