- The policy applies to all services with enforcement duties, although some services have specific legislative guidance and regulations that set out the enforcement requirements in these services and therefore will have specific service area policies in addition to the corporate one.

Enforcement Panel

- The Panel meets quarterly
- The purpose of the Panel is to:
 - Provide overview, assurance and scrutiny of the wide range of enforcement activity undertaken across the Council by receiving reports from service areas in scope.
 - Promote the enforcement activities of the Council enforcement services throughout the Borough.
 - Provide cohesion of the Council's enforcement bodies.
