

Report to:	HEALTH AND WELLBEING BOARD
Date:	9 March 2017
Executive Member / Reporting Officer:	Cllr Ged Cooney, Executive Member (Healthy and Working) Angela Hardman, Executive Director, Public Health, Business Intelligence & Performance
Subject:	GREATER MANCHESTER POPULATION HEALTH PLAN
Report Summary:	<p>This plan and presentation sets out a Greater Manchester (GM) approach to delivering a radical upgrade in population health. It is informed by the best empirical evidence and by the views of the people of Greater Manchester. It sets out the health challenges we face and the approach to population health at the Greater Manchester level.</p> <p>The priorities for change set out in this plan have also been chosen to support the locality delivery described in each of the ten locality plans. The plan then focuses on those programmes of work with the GM Health and Social Care Partnership will deliver in collaboration with localities. This plan sets out the high level ambitions for Population Health and the targeted interventions that will be necessary to deliver on this ambition over the next 4 years until 2021.</p>
Recommendations:	The Health and Wellbeing Board are asked to note and endorse the Greater Manchester Population Health Plan.
Links to Health and Wellbeing Strategy:	The Population Health Plan aligns to all life course priorities of the Health and Wellbeing Strategy
Policy Implications:	Greater Manchester has the chance to take a co-designed approach to radically reframe the role of Population Health in the context of a devolved system, creating a unified population health system across ten localities and GM that is better able to achieve improved health outcomes for the citizens of GM.
Financial Implications: (Authorised by the Section 151 Officer)	Adoption of the proposed plan will play a crucial role in improvement the health and wellbeing of the local population. As a result of this it is envisaged that fewer people will require complexed / acute interventions, this will ultimately contribute to closing the local Health and Social Care economy financial gap of c£70m.
Legal Implications: (Authorised by the Borough Solicitor)	It is important that decisions regarding resources are made on an evidence based approach. This report sets out the evidence of the challenges and how we should tackle health inequalities.
Risk Management :	There are no risks associated with this report.
