

Report to:	STRATEGIC COMMISSIONING BOARD
Date:	12 December 2018
Officer of Single Commissioning Board	Jessica Williams, Interim Director of Commissioning
Subject:	COMMISSIONING INTENTIONS 2019/20: TAMESIDE AND GLOSSOP INTEGRATED CARE NHS FOUNDATION TRUST, PENNINE CARE NHS FOUNDATION TRUST AND ALL OTHER PROVIDERS FOR TAMESIDE AND GLOSSOP RESIDENTS
Report Summary:	<p>The letters set out, in high level terms, how Tameside and Glossop Strategic Commission intends to commission services from providers in 2019-20. Details of specific commissioning intentions, in terms of activity and financial planning, will be shared with appropriate providers during contract negotiation.</p> <p>These commissioning intentions are in line with the ‘Approach to Planning’ guidance issued by NHS Improvement and NHS England on 16 October, which sets out the timetable for 2019-20.</p>
Recommendations:	The Strategic Commissioning Board are asked to discuss and support the 2019/20 commissioning intentions so that the Strategic Commission can carry on working with its providers in working towards delivering a stable economy and its long term commitment to delivering sustainable improvement to healthy life expectancy.
Financial Implications: (Authorised by the statutory Section 151 Officer & Chief Finance Officer)	No direct financial commitments are made in the commissioning intentions letter. Rather this is a high level document, written before planning guidance is available to set out principles for the year ahead. More tangible financial implications will become apparent over the next few months, when these intentions are factored into the contract.
Legal Implications: (Authorised by the Borough Solicitor)	The development of commissioning intentions is an annual activity that seeks to ensure commissioners have clear oversight to work towards informing local health activities and to let providers know of the contractual changes that will be implemented in the forthcoming year. Commissioning intentions are not intended to set out all activity that will be undertaken in a given year but they provide context for commissioning changes, list commissioning changes that improve quality of service or value for money and signal to providers that resources may be changing or new delivery models may be implemented.
How do proposals align with Health & Wellbeing Strategy?	The commissioning intentions are aligned with the Health and Wellbeing Strategy.
How do proposals align with Locality Plan?	The commissioning intentions have been developed in line with the Locality Plan and proposed model of care. They are aligned with the transformation fund submission to Greater Manchester.

How do proposals align with the Commissioning Strategy?	The documents are aligned with the commissioning intentions in the Commissioning Strategy.
Public and Patient Implications:	Public and patient implications have been considered for each of the individual intentions included in the document.
Quality Implications:	The appropriate individual Quality Impact Assessments are being/have been undertaken. This document is a compilation of the commissioning activities of the Strategic Commission.
How do the proposals help to reduce health inequalities?	The commissioning intentions are in line with the Strategic Commission's approach to reducing health inequalities.
What are the Equality and Diversity implications?	Equality Impact Assessments have been / will be undertaken on commissioning activities as required. This document is a compilation of the commissioning activities of the Strategic Commission, all of which will receive the appropriate individual consideration in terms of equality and diversity implications.
What are the safeguarding implications?	Safeguarding implications of the proposals will be considered and address on an individual basis.
What are the Information Governance implications?	Information Governance and Privacy Impact Assessments will be undertaken for individual projects rather than for this proposal, including requirements for Privacy Impact Assessments.
Has a privacy impact assessment been conducted?	
Risk Management:	Any risks will be reported and managed via the Clinical Commissioning Group's risk register.
