Constitution
Part x - Contract Procedure Rules

1. Introduction

- 1.1 Stockport Council, Trafford Council, Rochdale Council and Tameside Council have agreed, through an Inter Authority Agreement (“IAA”) to facilitate the joint delivery of Procurement Functions with a view to the attainment of a more economical, efficient and effective discharge of its Procurement Functions via a shared procurement service to be identified as “STAR”. Each of the STAR members have agreed to establish and participate in a joint committee (the “Joint Committee”) and have agreed to delegate their Executive and Non-Executive functions relating to the operation of STAR to the Joint Committee. Other authorities may, from time to time, join the IAA.
- 1.2 These Rules are standing orders made pursuant to Section 135 of the Local Government Act 1972. Compliance with the Rules and observance of European and domestic law from which they emanate (in particular the principles relating to non-discrimination, equal treatment and transparency) is mandatory for all Officers and Members. The Rules ensure that procurement activity is undertaken in a legally compliant, transparent, fair and competitive manner.
- 1.3 Decisions relating to procurement are among the most important decisions that can be made by the Council its Members and Officers because the money involved is public money and the Council is concerned to ensure that high quality Supplies, Services and the execution of Works are procured. Efficient use of resources in order to achieve Best Value is therefore an imperative.
- 1.4 These Rules shall apply to all procurement activity where the Council is to procure any Supplies, Services or the execution of Works, or enters into a Concessions Contract as either a contracting authority or commissioner of such, regardless of the origin of funding (such as external grants, partnership funding, pooled or joint budgets for example).
- 1.5 For the avoidance of doubt, these Rules shall apply to Framework Agreements, DPS and to any arrangement made by, or on behalf of the Council (including Schools) for the carrying out of Works or for the supply of Supplies or Services.
- 1.6 Where relevant, the Council shall have regard to the Public Services (Social Value) Act 2012 (“the Act”). This requires commissioners and procurers at the pre-procurement stage to consider how what is to be procured may improve social, environmental and economic well-being of the Council’s relevant area, how it might secure any such improvement and to consider the need to consult. The Council and Officers should refer to the Procurement Handbook for further guidance.
- 1.7 The Joint Committee shall monitor compliance with the Rules and undertake an annual review of the Rules. The Joint Committee may present recommendations for amendments to the Rules to the Council from time to time and any such amendments shall be subject to the Council’s own ratification procedures. Any failure to comply with any of the provisions of these Rules must be reported immediately to the SRO for Legal. Failure by any Officer or Member to comply with the provisions of these Rules may lead to disciplinary action being taken against them.
- 1.8 These Rules must be read in conjunction with the Council’s Constitution and in particular the Financial Procedure Rules/Regulations, , Procurement Handbook, any

relevant guidance documents endorsed by the Council and the Council's local Rules as identified in section 1.9 below.

- 1.9 A number of local Rules can be found in the attached Schedule 1 and which form part of these Rules.

3.2 The Responsibilities of Officers and Members

- 3.2.1 Officers and Members involved in procurement activity must comply with these Rules, the Council's Financial Procedure Rules/Regulations, the Council's Employees Code of Conduct/Members Code of Conduct. They must also have due regard to any guidance provided by STAR.
- 3.2.2 Officers must ensure that any agents, consultants and contractual partners acting on their behalf, also comply with these Rules.

4. Contracts to which these Rules do not apply

- 4.1 Where there is any doubt regarding the application of these Rules, Officers must seek guidance from STAR.
- 4.2 These Rules **do not** apply to the following:
- a. employment contracts for Officers engaged on a PAYE basis;
 - b. Contracts relating solely to the disposal or acquisition of securities;
 - c. Contracts for the acquisition of an interest in land and property;
 - d. Contracts for the appointment of Counsel or the appointment of experts for the purpose of legal, or potential legal proceedings by the SRO for Legal Services;
 - e. qualifying Contracts between entities within the public sector.

5. Pre-Procurement Process

5.1 Authority to carry out procurement activity

- 5.1.1 The ASO must ensure that all necessary decisions have been made and that the correct authorisation to procure has been properly obtained prior to the initiation of any procurement activity. Any procurement activity carried out on behalf of the Council must be carried out by an ASO with the appropriate delegated authority as set out in the Scheme of Delegation. The ASO may be required to provide evidence of any decisions made, any reports concerning and all authorisations granted in respect of the relevant procurement activity. The ASO must submit a PID to STAR prior to starting the relevant procurement activity. By submitting the PID the ASO confirms that they have the authority to carry out the procurement activity.

5.2 Appraisal of the procurement activity

- 5.2.1 The ASO, together with the APO, must conduct an options appraisal of the route to market and consider the following:
- a. Value for Money;
 - b. The need for the expenditure and its priority;
 - c. The objectives of the purchase;
 - d. Whether it is a Key Decision
 - e. Any risks associated with the purchase and how to manage them;
 - f. The market;
 - g. TUPE and pensions;
 - h. Which procurement method is most likely to achieve the purchasing objectives;
 - i. Existing and compliant Framework Agreements, DPS or other arrangements; and
 - j. The economic, social and environmental wellbeing of the borough and the benefit which the procurement process can bring to the community and have regard to the duty to secure continuous improvement in accordance with Best Value.
- 5.2.2 Where award for a Contract for services may result in employees of the Council or its Contractor transferring to a new employer, the advice of the SRO for Human Resources and the SRO for Legal must be obtained before the commencement of the procurement activity to ensure compliance with TUPE, and other related legislation, and to assess the implications in respect of pension arrangements.
- 5.2.3 The APO must ensure that an appropriate Specification or request for a Quote commensurate to the scope of the Supplies, Services, execution of Works or Concessions Contract required is written prior to the commencement of any

procurement activity. Advice from STAR must be sought where it is proposed that a Specification or request for a Quote is not used.

- 5.2.4 For procurement under the Regulations Thresholds, the use of PQQs is no longer permitted by the Regulations. However, the Regulations do permit the use of suitability assessment questions where they are relevant to the subject matter of the procurement and are proportionate. Further guidance on suitability assessment questions may be sought from STAR but in any event, advice must be sought from STAR where it is proposed that such questions are to be used.

5.3 **Framework Agreements and DPS**

- 5.3.1 Where, following an options appraisal as required by Rule 5.2, a suitable Framework Agreement or DPS is identified, the requirements of Rule 6 (Quotes) and Rule 7 (Tenders) will not be applicable and the ASO must ensure that:

- a. Any Call-off Contract is entered into in accordance with the terms of the relevant Framework Agreement or DPS; and
- b. Where applicable, a mini-competition (the tender process required by the Framework Agreement) is held in accordance with rules of the Framework Agreement or DPS.

- 5.3.2 For the avoidance of doubt, a Framework Agreement or DPS is considered suitable where it has either been entered into by:

- a. the Council in compliance with these Rules; or
- b. another local authority, a local authority purchasing consortium or central government where the Framework Agreement or DPS has been tendered and awarded in accordance with EU public procurement legislation, and the Council is identified as a contracting authority.

- 5.3.3 Where a Framework Agreement or DPS has been set up following an EU Tender, there must be full compliance with EU rules when awarding Call-off Contracts under it.

5.4 **Pre-Procurement Market Research and Consultation**

- 5.4.1 The ASO and APO responsible for the procurement activity:

- a. may consult potential Bidders or Tenderers in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters, prior to a request for a Quote or an Invitation to Tender provided this does not prejudice any potential Bidders or Tenderers; and
- b. must not seek or accept technical advice on the preparation of a request for a Quote or an Invitation to Tender from anyone who may have a commercial interest in the tender, as this may prejudice the equal treatment of all potential Bidders and Tenderers or distort competition.

Advice must be sought from STAR in all instances.

5.5 **Estimating the Total Value of a Contract, Framework Agreement or DPS**

- 5.5.1 Officers must calculate the total value of the Contract, DPS or Framework Agreement in order to determine which procurement activities should be commenced in accordance with these Rules. The procurement activity that must be followed is prescribed in Table 1 below.

Constitution
Part x - Contract Procedure Rules

5.5.2 The Council must not split Contracts, DPS or Framework Agreements in order to avoid public procurement rules or calculate the value of the Contract, DPS or Framework Agreement in such a way as to deliberately avoid exceeding the Regulation Thresholds or any threshold identified in these Rules. Therefore, unless otherwise agreed by the SRO Legal all Contracts, DPS or Framework Agreements should be dealt with according to their total value and all Officers must calculate the total value (excluding VAT) of any Contract. The value of a Contract, DPS or Framework Agreement should be calculated as follows and applies to the aggregate value of the Contract, DPS or Framework Agreement:

Yearly contract value X Contract Period in years (including any option to extend) = Total value.

5.5.3 The value of a Framework Agreement and DPS means the maximum estimated amount payable by the users of the Framework Agreement or DPS for the Supplies, Services or execution of Works (excluding VAT) under Call-off Contracts entered into over the entire possible duration of the Framework Agreement or DPS.

5.5.4 Framework Agreements must not be for more than four years (including options to extend) unless otherwise authorised by the SRO for Legal.

5.5.5 The value of the Contract, DPS or Framework Agreement will determine which procurement activity to follow in accordance with Table 1 below subject to Rules 5.5.6 and 5.5.7:

5.6 Standards and Award Criteria

- 5.6.1 Before inviting Quotes or Tenders, the ASO, with support from the APO, must ascertain any relevant British, European or international standards which apply to the subject matter of the Contract. The ASO must include those standards or equivalent where they are necessary to describe the required quality. In any instances of uncertainty, STAR can be consulted if it is proposed to use standards other than European standards.

- 5.6.2 The ASO must define award criteria that is appropriate to the procurement activity and designed to secure an outcome giving Value for Money for the Council. The basic award criteria shall include one of the following:
- a. Most economically advantageous tender ("MEAT") - where considerations other than price also apply;
 - b. Lowest price - where payment is to be made by the Council;
 - c. Highest price - if payment is to be received.

If MEAT is the chosen award criteria, advice must be obtained from STAR to ensure that it is compatible with the EU Directives and the Regulations.

- 5.6.3 The ASO must seek advice from STAR to ensure any award criteria are compliant with relevant legislation and best practice.

6. Quotes

6.1 Requests for Quotes

- 6.1.1 All Quotes, including those in mini-competitions under Framework Agreements, must be confirmed in writing before a decision to award can be made and all Quotes must be stored on The Chest.

- 6.1.2 When requesting a Quote, an appropriate description of the Supplies, Services, execution of Works or Concessions (commensurate with the value of the Contract) setting out the Council's requirements in sufficient detail must be provided to prospective Bidders to enable the submission of competitive Quotes.

- 6.1.3 The request for a Quote shall also make reference to or include the following as a minimum:

Constitution

sought from a STAR Legal Officer and approval given by the SRO for Legal where alternative terms and conditions are used.

- 6.1.5 Where requests for a Quote are sought from more than one prospective Bidder, where possible, the request must be sent to each Bidder at the same time and contain the same conditions. Any supplementary information must be given on the same basis.

6.2 Submission and Receipt of Quotes

- 6.2.1 Bidders must be given a reasonable period in which to prepare and submit a proper Quote, consistent with the complexity of the Contract requirement.
- 6.2.2 In the event that an abnormally low Quote is received, the ASO must take advice from STAR on how to proceed.
- 6.2.3 Any Quote (including all associated documents) submitted after the specified date and time for submission of Quotes shall only be accepted or considered by the Council in exceptional circumstances and only with agreement from the SRO for Legal Services.

In such circumstances, any alterations must be made by resubmitting a new Quote and clearly highlighting which Quote (and associated documents) is correct and which should be considered as part of the procurement activity.
- 6.3.2 A Quote may be amended after the closing date for submission if the amendment is made only in order to correct an arithmetical error. Such amendments may only be made with the prior approval of the Director of Procurement (STAR).

6.4 Evaluation of Quotes

- 6.4.1 All compliant Quotes, including those in mini-competitions under Framework Agreements, must be checked by the ASO to ensure they are arithmetically correct. The ASO may seek advice from STAR if there is any doubt. If arithmetical errors are found they should be notified to the Bidder, who should be requested to confirm or withdraw their Quote. Alternatively, if the rates in the Quote prevail over the overall price, an amended Quote may be requested to accord with the rates given by the Tenderer.
- 6.4.2 Where MEAT is used as the award criteria, all evaluations including an explanation of the reasons for the scores should be recorded on The Chest. The ASO must then confirm to STAR that the Contract can be awarded in accordance with Rule 6.5 by updating the PID.

Constitution
Part x - Contract Procedure Rules

6.4.4 In accordance with the Council's risk-based sourcing policy, the ASO and/or APO may require a best and final offer from the Tenderer whose submitted Quote is the most economically advantageous, the lowest price or the highest price in accordance with Rule 5.6.2.

6.5 Contract Award – through a Quotation Process

6.5.1 The Contract will be awarded in accordance with the award criteria used.

6.5.2 Where the Quote is not within the relevant approved budget but additional budgetary provision is available, the relevant ASO, with the approval of the SRO for Finance, may accept the Quote ensuring compliance with the Financial Procedure Rules/Regulations.

6.5.3 The approval to award the Contract must be given in accordance with the Council's Scheme of Delegation.
