There were no declarations of interest.

### **15. MINUTES**

The Minutes of the previous meetings held on 11 January 2021 and 12 January 2021 were agreed as a correct record.

### **16. APPLICATION FOR A REVIEW OF A PREMISES LICENCE – JOLLY HATTERS, 119 TOWN LANE, DENTON, M34 2DJ**

Consideration was given to an application for a review of a premises licence for Jolly Hatters, 119 Town Lane, Denton, M34 2DJ.

It was explained that the Premises Licence Holder of Jolly Hatters, 119 Town Lane, Denton was Ei Group Limited of 3 Monkspath Hall Road, Solihull B90 4SJ. A copy of the Premises Licence was appended to the report to Panel and identified the current licensable activities and operating hours for the premises.

On 4 December 2020, the Licensing Authority, acting in its capacity as a Responsible Authority under the Licensing Act 2003, submitted an application for a review of the premises. A copy of the Premises Licence Review Application was attached to the report.

Mr Robinson presented the report to the Panel and identified the steps available to the Panel in determining the review (s52 (4) Licensing Act 2003). Mr Robinson informed the Panel of the brief background to the review as set out in the report and summarised the representations received from:-

- The Licensing Authority
- Greater Manchester Police
- Tameside MBC Population Health

Mr Robinson also referred to four representations received from local residents. The identity of the local residents had previously been disclosed to and verified by the Licensing Authority. However, the residents request for anonymity in the hearing was maintained during the hearing.

- Resident A (Representation at Appendix 11 of the report)
- Resident B (Representation at Appendix 12 of the report)
- Residents C (Representation at Appendix 13 of the report)
- Resident D (Representation at Appendix 14 of the report)

Mr Horton, Regulatory Compliance Officer, Tameside MBC, presented the Review application (appended to the report to the Panel) on behalf of the Licensing Authority. Mr Horton referred to his witness statement and exhibits, which were attached to the report. Mr Horton informed the Panel that agreement had been reached with the Premises Licence Holder to modify the conditions on the licence with a view to promoting the licensing objectives. Mr Horton had the opportunity to consider the proposed conditions and confirmed that he was satisfied with the conditions and considered that they would meet the licensing objectives going forward.

Mr Robinson commented that whilst the proposed conditions were acceptable the Panel could consider (in view of the concerns raised by some residents) conditions requiring the Premises Licence Holder / Designated Premises Supervisor to undertake perimeter checks and other steps to prevent noise escape whilst music was being played in the premises.

Mr Mallion then presented the representation that had been submitted on behalf of Tameside MBC Population Health (appended to the report to the Panel). The content was noted by the Panel in particular the local levels of infection and deaths from Covid and the importance of premises complying with Covid restrictions.

PC Thorley presented a representation (appended to the report to the Panel) on behalf of Greater Manchester Police. A witness statement from PC Thorley detailed the police investigation and the content of the CCTV.

An application was made by Greater Manchester Police to exclude the public and press for part of the hearing, namely, whilst the CCTV evidence was presented. The grounds of the application were that the CCTV identified persons not involved in any illegal activity.

Having applied the public interest test (Sch 12A LGA 1972/Reg 14 of the Licensing Hearing Regs) the Panel decided to proceed with the hearing in private but only whilst the CCTV was played and any questions regarding the CCTV content were asked and answered. The Panel considered that to proceed with this part of the hearing in public would be prejudicial to the interests of the persons identified on the CCTV and more generally, the interests of justice.

Key extracts of the CCTV recordings of the premises on the relevant dates were played in the private part of the hearing. Once this part of the hearing was concluded, the hearing returned to public session.

PC Thorley informed the Panel that agreement had been reached with the Premises Licence Holder to modify the conditions on the licence with a view to promoting the licensing objectives. He had the opportunity to consider the proposed conditions and confirmed that he was satisfied with the conditions and considered that they would meet the licensing objectives going forward. He supported the idea of the Premises Licence Holder / Designated Premises Supervisor to undertake perimeter checks.

Mr Robinson read out Resident D's written representation (appended to the report to the Panel). Resident D then spoke in the hearing by telephone (on loudspeaker) and answered questions.

Residents C referred to their written representation (appended to the report to the Panel) and answered questions.

Mr Robinson read out Resident A's written representation (appended to the report to the Panel) who had left the meeting prior to this point and had not returned, and Resident B's written representation (appended to the report to the Panel).

The hearing adjourned at 12.26 for a lunch break and re-convened at 12.58.

Mr Taylor, on behalf of the Premises Licence Holder, addressed the Panel and acknowledged that the CCTV made for very poor viewing as did the management of the premises at this time. He explained that Ei Group Limited had supported the Designated Premises Supervisor to help manage the premises and had been in regular contact with them. Following a number of issues, the Designated Premises Supervisor had been removed in September 2020. However, contrary to clear instructions, the Designated Premises Supervisor opened up to trade.

Mr Taylor informed the Panel that following discussions between the Premises Licence Holder, the Licensing Authority and Greater Manchester Police, an agreement had been reached, subject to consideration / approval by this Panel, in relation to appropriate conditions to add to those currently in Annex 2 to the licence. The proposed conditions are appended to the Minutes at Appendix A and if approved would appear in Annex 3 to the licence.

In order to address noise issues whilst music was being played in the premises, other proposed conditions included closing windows and undertaking perimeter checks, were agreed by Ei Group Limited. It was stated that good management was also key, however, there was no proposal to appoint a new Designated Premises Supervisor at present and the premises were still subject to national lockdown restrictions.

All parties were provided with the opportunity to ask questions in relation to the representations made.

All parties were invited to provide a brief statement in summary.

Members of the Panel then retired to carefully consider the written report, representations and questions and answers during the hearing in addition to all the information provided. The Panel were accompanied by the Legal Representative and the Senior Democratic Services Officer who provided legal and procedural advice only and took no part in the decision making process.

In determining this matter, the Panel had due regard to:-

- all oral and written evidence and submissions
- the Council's Statement of Licensing Policy
- the relevant sections of the Licensing Act 2003 and Regulations made thereunder
- the Guidance issued by the Secretary of State under section 182 of that Act

The Panel noted that in determining the review it must, having regard to the application and any relevant representations, take such steps as identified in s52(4) of the Licensing Act 2003 as it considered appropriate for the promotion of the licensing objectives, in particular, public safety, the prevention of crime and disorder and the prevention of public nuisance.

The Panel noted the recent incidents at the premises as outlined in the report to Panel and the details in the Review Application, the representations and supporting evidence.

The Panel noted that:-

- Local residents had reported problems with crime, disorder, anti-social behaviour and nuisance at the premises over a long period, particularly late in the evening and at the front of the premises.
- The premises have had a serious adverse impact on the local community with regard to crime and disorder and nuisance.
- In 2018 following a review application by the Police, the Manager at the time was removed and additional conditions were added to the premises licence.
- On 4 July 2020, an inspection at the premises found them to be non-compliant with the coronavirus regulations. Following the visit, concerns were raised with Ei Group Limited that the Designated Premises Supervisor was unable to manage the premises effectively and verbal warnings were given.
- On 11 July 2020, the premises were trading beyond the permitted hours with customers on the premises until 4.00am (confirmed by CCTV). Following which, Ei Group Limited were issued with a warning letter.
- On 14 August 2020, an inspection of the premises revealed that a jukebox in the premises was being operated and the volume of music was at an unacceptably loud level in breach of Government Guidance. Ei Group Limited were issued with a warning letter.
- On 15 August 2020, a large brawl involving approximately 15-20 people took place inside the premises and spilled out onto the street. The incident was not reported to the Police. CCTV identified that prior to the fight taking place, Covid regulations had been breached, large groups were together / not socially distanced and the Designated Premises Supervisor had been watching football and drinking within the large group. Ei Group Limited were requested to stop showing football matches.
- On 11 September 2020, an inspection of the premises revealed a DJ playing loud music. The Designated Premises Supervisor was asked to turn the music down. The Designated Premises Supervisor, who was extremely intoxicated, became confrontational towards the Police. A warning letter was issued to the Designated Premises Supervisor.
- On 14 September 2020, the Licensing Authority contacted Ei Group Limited to request the immediate removal of the Designated Premises Supervisor and voluntary closure of the premises. Ei Group Limited terminated its contract with the Designated Premises Supervisor and confirmed that the premises would remain closed whilst the Designated Premises Supervisor remained on site until a replacement was appointed.
- However, on 17 September 2020, the premises re-opened and were inspected. The inspection revealed that the Designated Premises Supervisor was on the premises and intoxicated. Greater Manchester Police served a Closure Notice under the Antisocial Behaviour Crime and Policing Act 2014, closing the premises for 24 hours.
- On 18 September 2020, a Direction Notice was served under the Health Protection (Coronavirus Restrictions) England Regulations 2020. This notice required the premises to close from 18 September 2020 until 12 October 2020.
- On 18 September 2020, Ei Group Limited submitted an application to the Council to remove Ms Deborah McCallum from the position of Designated Premises Supervisor at the premises.
- In October / November 2020 a Neighbourhood survey was undertaken. This revealed that a number of local residents had concerns regarding the problems of crime, disorder and nuisance linked with the premises.
- In November 2020, the Licensing Authority and Greater Manchester Police held a meeting with Ei Group Limited. Proposals to modify the licence were discussed. Proposals had recently been submitted and agreed by the Licensing Authority and Greater Manchester Police.
- The Licensing Department had received historical complaints regarding disorder and antisocial behaviour, including noise and drug use associated with the premises dating back through the tenure of previously appointed Designated Premises Supervisors at the premises.
- Ei Group Limited had provided relevant information and advice to the Designated Premises Supervisor to avoid a breach of the Covid restrictions.

The Panel considered all available options and had real concerns in respect of the adverse impact that the premises have had on the local community and seriously considered the option of revocation of the licence.

However, on balance, having carefully scrutinised the proposed change in trading hours and additional conditions, the Panel considered that the imposition of reduced trading alongside additional conditions would be a proportionate and appropriate response to the identified issues.

The Panel noted the existing conditions including the mandatory conditions, which prohibited irresponsible drinks promotions, including those which could reasonably be considered to condone or encourage anti-social behaviour. The Panel remained concerned about the promotion of the premises as a 'Sports Bar' with drinks promotions and expected that the Premises Licence Holder to review this going forward as necessary to promote the licensing objectives.

Accordingly, the Panel concluded that the step that it considered appropriate to promote the licensing objectives, in particular the prevention of crime and disorder and the prevention of public nuisance, was to reduce the trading hours and modify the conditions attached to the licence.

**RESOLVED**

**That the conditions listed at Appendix A be added to the Premises Licence at Annex 3 with immediate effect.**

## 1. INTRODUCTION

- 1.1 Section 17 of the Licensing Act 2003 outlines the procedure whereby an application can be made to the Licensing Authority for a premises licence.
- 1.2 Section 18(3) of the Licensing Act 2003 states that where relevant representations are made in respect of such an application, the authority must:
- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
  - (b) having regard to the representations, take such steps as mentioned in subsection (4) (if any) as it considers appropriate for the promotion of the licensing objectives.
- 1.3 The steps mentioned in subsection (4) are:
- (a) to grant the licence subject to –
    - (i) such conditions that the authority considers appropriate for the promotion of the licensing objectives, and
    - (ii) current mandatory conditions;
  - (b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
  - (c) to refuse to specify a person in the licence as the premises supervisor;
  - (d) to reject the application.

## 2. REPORT

- 2.1 On 12 January 2021 the Licensing Department received an application from Retail Fuel Limited for a new premises licence under the Licensing Act 2003. The applicant has applied to licence a petrol station for the sale of alcohol and the provision of late night refreshment at 1-17 Droylsden Road, Audenshaw, M34 5SP. The application is attached at **Appendix 1**.
- 2.2 Section 176 of the Licensing Act 2003 restricts the circumstances in which alcohol may be sold at garage premises. The restriction applies where the premises are used primarily as a garage or which form part of premises which are primarily so used.
- 2.3 Premises are used primarily as a garage if they are used for one or more of the following:
- the retailing of petrol;
  - the retailing of derv;
  - the sale of motor vehicles; and
  - the maintenance of motor vehicles.
- 2.4 The Licensing Act 2003, section 182 guidance states that with particular attention being drawn to section 5.23 and 5.24, where a Local Authority considers a premises licence application for garages and motorway service areas;

*5.23 It is for the licensing authority to decide, based on the licensing objectives, whether it is appropriate for that premises to be granted a licence, taking into account the documents and information listed in section 17(3) and (4), which include an operating schedule and which must accompany the application.*

*5.24 If a licence is granted in respect of a premises and the primary use of that premises subsequently changes (for example, the primary use becomes that of a garage rather than a shop) it would no longer be legal to sell alcohol on that premises. If a relevant representation is made, the licensing authority must decide whether or not the premises are used primarily as a garage. The licensing authority may ask the licence holder to provide further information to help establish what the primary use of the premises is (emphasis added).*

- 2.5 The operating schedule of the application details the following licensable activities and requested hours:

<b>Activity</b>	<b>Days</b>	<b>Hours</b>
Supply/Sale of alcohol off the premises	Monday – Sunday	24 hours
Late Night Refreshment (Indoors and Outdoors)	Monday - Sunday	23:00 – 05:00
Opening Hours	Monday – Sunday	24 hours

- 2.6 Following receipt of representations from Responsible Authorities and Interested Parties, the applicant has agreed to amend the application as follows;

**Alcohol Hours**

Reduced to 06:00 – 23:00 (Monday – Sunday)

**Late Night Refreshment**

This part of the application has been withdrawn.

- 2.7 In addition to the above amendments to the application, additional conditions have been proposed by the applicant. These are attached at **Appendix 2**.

**3. REPRESENTATIONS & EVIDENCE SUBMITTED**

- 3.1 Representations have been received by TMBC Licensing, Greater Manchester Police, TMBC Population Health, a Councillor and a member of the public.

**TMBC Licensing**

- 3.2 A representation relating to the application provided Elise Brophy of TMBC Licensing. A copy of this is attached at **Appendix 3**.

**Greater Manchester Police**

- 3.3 A representation has been provided by PC Martin Thorley. A copy of this is attached at **Appendix 4**.

**TMBC Population Health**

- 3.4 A representation received from James Mallion on behalf of TMBC Population Health. A copy of this is attached at **Appendix 5**.

**Councillor for Droylsden East**

- 3.5 A representation received from Councillor David Mills. A copy of this is attached at **Appendix 6**.

**Members of the Public**

- 3.6 A representation has been received from a member of the public. A copy of this is attached at **Appendix 7**.

**4. CONCLUSION AND OPTIONS FOR THE PANEL**

- 4.1 The Panel must initially determine from the evidence provided what the primary use of the premises is. If the primary use is determined to be a garage then a premises licence should not be granted (i.e. the application be refused) as any licence issued would be of no effect pursuant to s176 of the Licensing Act 2003. If the Panel determines that the primary use is not that of a garage then the Panel must then consider all of the evidence provided and

decide what (if any) steps to take as it considers appropriate for the promotion of the licensing objectives. The options available to the Panel are;

- (a) to grant the licence subject to –
  - (i) such conditions that the authority considers appropriate for the promotion of the licensing objectives, and
  - (ii) current mandatory conditions;
- (b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
- (c) to refuse to specify a person in the licence as the premises supervisor;
- (d) to reject the application.

6. There will be no sales/supplies of beer, lager or cider with an ABV over 6.5%.
7. The licence holder will monitor the primary use of the premises and if transaction data demonstrates that the premises are excluded premises pursuant to S.176 of the Licensing Act 2003 the sale of alcohol will cease until such time as the data

demonstrates that the premises are not so excluded. Such data will be maintained on a 6 monthly basis and will be available on request to the police and the licensing authority. This condition will fall away in the event that S.176 is repealed.

8. A digital CCTV system will be installed, or the existing system maintained, such system to be fit for the purpose.

The CCTV system shall be capable of producing immediate copies on site. Copies of recordings will either be recorded digitally on to CD/DVD or other equivalent medium.

Any recording will be retained and stored in a suitable and secure manner for a minimum of 31 days and shall be made available, subject to compliance with Data Protection legislation, to the police for inspection on request.

The precise positions of the camera may be agreed, subject to compliance with Data Protection legislation, with the police from time to time.

The system will display, on any recording, the correct time and date of the recording. The CCTV system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity.

**Representation Re Application for a Premises Licence**

From:	The Licensing Section, Tameside Metropolitan Borough Council
To:	The Licensing Section, Tameside Metropolitan Borough Council
Date:	08/02/2021
Premises:	Audenshaw Service Station, 1-17 Droylsden Road, Audenshaw
Date of Application:	12/01/2021

The Licensing Authority, in its capacity as a ‘Responsible Authority’ under the provisions of the Licensing Act 2003, hereby give notice of our objection to the grant of a premises licence in respect of the above premises.

The reason(s) for the objection are as follows:

Under Section 176 of the Licensing Act 2003 **‘No premises licence, club premises certificate or temporary event notice has effect to authorise the sale by retail or supply of alcohol on or from excluded premises.’**

This includes premises used primarily as a garage or which form part of premises which are primarily so used.

No information was provided within the application that would satisfy the Licensing Authority that this premises is used primarily as anything other than a garage.

Footfall figures relating to customers for fuel only, the shop only and the combined use of shop and fuel were requested on the 12<sup>th</sup> of January 2021 to determine the primary use of the premises.

No such evidence has yet been submitted and until evidential footfall figures are provided to determine the primary use of the premises, the application should be refused.

The Licensing Authority also has great concerns regarding this application for the following reasons;

This premises is situated within a residential area, Therefore we have great concern over the applied time of a 24-hour alcohol licence. There are no other premises within the surrounding areas of Audenshaw and Droylsden that currently sell alcohol for 24 hours. The latest off licence within the area is licensed to sell alcohol until 23:00pm. Therefore we believe the application to sell alcohol for 24 hours could result in an increase in public nuisance due to the potential high volume of customers visiting the premises as it would be the only off licence open within the area.

The latest ON licensed premises within the area of Audenshaw and Droylsden are licensed to sell alcohol until 02:00am. We believe there is a possible risk of people leaving the premises close by who are already intoxicated to purchase more alcohol from this premises resulting in a possible increase of Crime and Disorder and Public Nuisance.

The Licensing Authority seeks to encourage the highest standards of management in licensed premises and expects this to be demonstrated through the operating schedule. There is limited detail in areas of operational policies with regards 24 hour sale of alcohol, staffing levels or recognition of potential harm linked to the sale of high strength alcohol.

The Licensing Authority would expect a much greater level of detail in how the applicant will promote the licensing objectives.

If the Panel is minded to grant this application, the Licensing Authority would request that the following conditions are attached to the licence;

### **CCTV**

A tamper-proof digital colour CCTV system must be installed and maintained at the premises to the satisfaction of Greater Manchester Police.

The system must run and record continuously for 24 hours a day, 7 days per week and recorded footage must be stored for a minimum of 28 days.

The system must provide a clear head and shoulders view to an evidential quality on every entry/exit route and within any other vulnerable areas as identified by Greater Manchester Police.

Recorded footage must be provided to a representative of any responsible authority on request. Such footage must be provided in an immediately viewable format and must include any software etc. which is required to view the footage. Any discs, portable drives or other storage media onto which footage is transferred must be provided by the premises and sufficient stock of such storage media must be kept on the premises at all times.

A member of staff who is trained to operate the system and supply footage must be present at the premises at all times when licensable activities are taking place.

The Designated Premises Supervisor must ensure that the CCTV system is checked at least once every week by a suitably trained member of staff. This check must include the operation of the cameras, the recording facilities, the facilities for providing footage and the accuracy of the time & date. A written record of these checks must be kept, including a signature of the person carrying out the check. This written record must be kept on the premises at all times and made available to a representative of any responsible authority on request.

Suitable signage informing customers that a CCTV system is in operation must be placed in prominent positions within the premises, including information on the Data Protection Act and the Human Rights act.

### **Staff Training**

Any staff employed at the premises will receive training by the Designated Premises Supervisor on first appointment and at least every three months thereafter. Training will include input on preventing underage sales, sales of alcohol to people who are drunk, application of the drugs policy and any other relevant matters. A written record will be kept of all training carried out. This record must be kept on the premises and made available for inspection by any responsible authority.

### **List of Authorised Persons**

The Designated Premises Supervisor must maintain a written record of all members of staff who are authorised to sell alcohol. This record must include a photograph of the relevant members of staff to be kept on the premises at all times and be made available to a representative of any responsible authority on request.

### **Challenge 25**

The premises must operate a "Challenge 25" scheme at the premise in relation to age verification for alcohol sales and other age-restricted products. Signs and/or posters must be displayed in prominent positions inside the premise to inform customers of this condition.

### **Refusals Book**

A refusals book must be kept at the premises and must be used to record all refusals to sell alcohol for any reason. Where other age restricted products are sold at the premise, any refusals to sell such items to underage persons or persons who appear underage must be recorded. The details to be recorded must be as follows:

- (i) Time, day & date of refusal
- (ii) Item refused

- (iii) Name & address of customer (if given)
- (iv) Description of customer
- (v) Details of i.d. offered (if shown)

The refusals book must be made available for inspection by responsible authorities on request.

**Personal Licence Holder to be on Premises at All Times**

A Personal Licence Holder must be present at the premises at all times licensable activities are taking place.

**Conditions relating to the sale of Lager, Beers and Cider**

No Sales of lager and cider in cans as a single item  
No sales of lager/beers/cider above 6.5%

These conditions have been proposed to the applicant by the Licensing Manager on 2 February, in addition to the above, the Licensing Authority has requested that the terminal hour for the sale of alcohol be restricted to 23:00hrs (Mon-Sun)

A copy of this representation has been sent to the applicant.

## Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the variation on the licensing objectives on and in the vicinity of the premises in question.

**Please accept this as formal notification of the Greater Manchester Police objection to the request for a premises license to be granted in relation to the above premises.**

The grounds for the objection are Prevention of Crime and Disorder, Public Safety and the Prevention of Public Nuisance.

This premise is a Petrol Station which is currently unlicensed. It does not sell alcohol and has opening times as a Petrol Station of 0700hrs-2200hrs.

The premises are situated in a residential area and are in close proximity to residential properties. Droylsden Town Centre is only a short walk away there are at least 7 Public Houses within a 5 minute walk.

As with other areas in Tameside, Audenshaw and Droylsden suffers from issues with on street drinking and other alcohol related anti-social behavior. The nearest late night bar venue is situated in Droylsden which is only a five minute walk away (0.3 miles) and this premises is only permitted to sell alcohol until 0200hrs with proportionate conditions including the use of SIA registered door staff to ensure the promotion of the four Licensing Objectives.

I believe there is a distinct possibility that persons leaving these nearby Licensed premises will be drawn to the premises with the intention of purchasing more alcohol and as they will already be in a 'party mood'. There is a danger that groups of people will gather on the forecourt of the premises to consume alcohol, whilst they await their transportation home, be it tram, bus or taxi.

There is a Metrolink line which runs from Ashton -under-Lyne to Manchester through Audenshaw passing directly outside Audenshaw Service Station with the nearest Tram Stop being in Droylsden Town Centre. The last tram from Droylsden to Ashton-under-Lyne is 2351hrs. The last tram from Droylsden to Manchester Piccadilly is 0021hrs. This reduces the options of transportation after

midnight.

The above could place customers in danger with vehicles pulling onto the forecourt to purchase both petrol and/or alcohol and will certainly cause an added disturbance to the local residents. That said, the provision of alcohol at a Petrol Station could also lead to an increase in drink driving offences.

There are no licensed premises in the Audenshaw or Droylsden area of Tameside Police District which are licensed to sell alcohol 24 hours a day so not only will there be a problem with persons leaving the local licensed premises but there may well be a wider spread issue with people coming from far and wide to purchase alcohol in the early hours of the morning.

The nearest High Street Supermarket is Tesco in Droylsden which is licensed for off sales Monday-Saturday until 23:00 and open until 16:00 on a Sunday but licensed for alcohol until 22:30. This is situated 10 minute walk from the applicant's premises.

The application includes provision of late night refreshment taking place both indoors and outdoors until 0500hrs. This in itself will cause disturbance to local residents with people coming from far and wide to purchase food and will undoubtedly increase the potential for additional reports of anti-social behaviour and unnecessary additional demand being placed on Police resources.

**I would ask that The Licensing Authority considers the following as key issues in relation to this application:**

**The applicant falls short in evidencing the steps they intend to take in promoting all four licensing objectives.**

**The proximity of the premises to local residents**

**The general character of the surrounding area including crime and anti social behaviour (ASB) levels.**

**The hours applied for licensable activities should be appropriate with regard to the nature of the location of the premises.**

**I believe that persons who are alcohol dependant may be drawn to particular premises if they are licensed to sell alcohol at both later and earlier times than other licensed premises.**

Therefore GMP believe that to allow the premises to sell alcohol 24 hours a day will lead to an increase in alcohol related incidents in the area and will definitely cause greater disturbance to the residents to live in very close proximity to the premises.

We therefore ask that the application is refused.

**Re: Representation from the Population Health Department at Tameside Council regarding the Premise application from: Audenshaw Service Station, Droylsden Rd, M34 5SP**

### Introduction

As a Responsible Body under the 2003 Licensing Act, the Population Health Team at Tameside Council would like to raise a representation as part of the 24 hour alcohol license application for Audenshaw service station, Droylsden Rd, Audenshaw, M34 5SP

The representation primarily relates to:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance

### Our Approach

The Population Health Team at Tameside Council has begun screening every new license application or application for a license review/variation against a series of measures to enable the identification of applications that could have a significant adverse impact on the local community.

This screening is undertaken through a locally developed triage toolkit and ranks the 141 Lower Super Output Areas (LSOA's) in Tameside against a number of Alcohol Harm indicators and then provides an overall ranking.

The rankings are underpinned by robust official data sets as follows:

- Density of Licensed Premises – Tameside Council information as of October 2020

- Alcohol Related Hospital Admissions –3 year period 1<sup>st</sup> April 2017 to 31<sup>st</sup> March 2020
- Weekend A&E Attendances between 0000hrs and 0500hrs – Tameside ICFT, Statistics for the 1 year period 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020.
- Alcohol related Crime – Greater Manchester Police data from 1<sup>st</sup> April 2019 until 31<sup>st</sup> March 2020.
- Alcohol related Domestic Violence - Greater Manchester Police data from 1st April 2019 until 31st March 2020.
- Alcohol related Anti-Social Behaviour Incidents - Greater Manchester Police data from 1st April 2019 until 31st March 2020.
- A decision has been made to make a representation in relation to this specific review because of concerns relating to alcohol harm, the prevention of crime and disorder, public safety and the prevention of public nuisance.

The information below highlights the alcohol harm for the LSOA that Audenshaw Service Station, Droylsden Rd, M34 5SP is located.

### Alcohol Harm In relation to M34 5SP (LSOA E01005969)

Results show that out of 141 LSOAs across Tameside this LSOA ranks

- 94th in borough for weekend A&E attendances
- 123rd in borough for alcohol related anti-social behaviour
- 91st for alcohol related domestic abuse
- 60th for density of licenced premises
- 107th for alcohol related crime
- 77th for alcohol specific hospital admissions

The results from the dashboard illustrate that the impact related to alcohol harm is relatively low in this LSOA, compared to the rest of the borough. However it does rank in the top 50% of areas in the borough based on the existing density of licensed premises.

Beyond the immediate area, this LSOA is surrounded by areas that have considerably higher levels of alcohol harm. Aldwyn (ranked 15<sup>th</sup> highest overall out of 141 LSOAs), Ryecroft (ranked 18<sup>th</sup>) and Moorside (ranked 49<sup>th</sup>). The factors contributing to alcohol harm in these areas could be impacted by residents having easier access to alcohol from this premises, as people will be easily able to travel here from outside the immediate area.

It should also be noted that Tameside has some of the highest levels of alcohol harm in England and locally across Greater Manchester.

- Tameside has the 8<sup>th</sup> highest alcohol related death rate in the country (2<sup>nd</sup> highest in Greater Manchester)
- Tameside has the 7<sup>th</sup> highest rate of alcohol sold through off trade in the country (highest in Greater Manchester)
- Tameside has the 10<sup>th</sup> highest level of dependant drinkers in the country (3<sup>rd</sup> highest in Greater Manchester) (Source: Public Health Outcomes Framework)

There is growing body of evidence which demonstrates that the availability of alcohol contributes to increased levels of alcohol related harm. It therefore follows that alcohol available to be purchased and then immediately consumed either prior to or when driving a motor vehicle, or indeed by passengers within the vehicle, is likely to increase the risk of harm (Anderson, 2009).

There is extensive research highlighting that there is a direct link between density of licensed premises and alcohol-related harm in the surrounding environment (Livingston, 2011); (Richardson, 2014). This evidence suggests that the density and prevalence of alcohol retail outlets influences alcohol-related harms including: creating greater physical availability of alcohol within a local area; reducing the prices of alcohol products due to localised competition; and increasing the visibility of alcohol availability in the local area.

Some of the most recent research by Richardson et al (2014) highlighted that *"off-sales outlets have the greatest potential for alcohol-related harm, due to their cheaper product, large volumes obtainable, accessibility for under-age drinkers, and the absence of control over the final recipient"*.

## **Conclusion**

Overall, we have assessed this LSOA within which M34 5SP sits, as having relatively low levels of alcohol-related harm compared to other parts of the borough for both health and crime, however nearby areas do experience much higher levels of harm. The wider alcohol-related harms experienced by people across Tameside should be considered, as well as the evidence suggesting that further increasing the density of licensed premises can increase alcohol related harms. The increased availability of alcohol from this premises, particularly the application for a 24-hour off-sale license, will increase alcohol availability and potentially increase the risk of alcohol related harms, which is a matter of public safety. The prospect of passing trade and customers from wider areas could also potentially increase the risk of public nuisance in the area and crime & disorder.

Yours Sincerely,

James Mallion  
Public Health Consultant

Dear Mike,

I, James Mallion on behalf of Public Health in their capacity as a Responsible Authority under the Licensing Act 2003 make representation in relation to the new off-license premises application at Audenshaw Service Station, Droylsden Road, M34 5SP submitted to the Licensing Authority on 12 January 2021.

The representation relates primarily to: the prevention of crime and disorder; public safety; and the prevention of public nuisance.

The attached document in Appendix 1 is a letter outlining our findings including the evidence and data behind this in relation to the existing level of alcohol-related harm in the area and our rationale for submitting this representation.

See below a screenshot of the data for this area (M34 5SP) which indicates the level of existing alcohol-related harm in the Lower Super Output Area (LSOA). This tells us that this area has a relatively low level of alcohol related harm compared to the rest of the borough. However it does rank in the top 50% of areas in the borough based on the density of existing licensed premises (60<sup>th</sup> highest out of 141 LSOAs)

Beyond the immediate area, this LSOA is surrounded by areas that have considerably higher levels of alcohol harm. Aldwyn (ranked 15<sup>th</sup> highest overall out of 141 LSOAs), Rycroft (ranked 18<sup>th</sup>) and Moorside (ranked 49<sup>th</sup>). The factors contributing to alcohol harm in these areas could be impacted by residents having easier access to alcohol from this premises, as people will be easily able to travel here from outside the immediate area.

Given the increased availability of alcohol that this application represents, as it is a location easily accessible by car and also the request for a 24-hour license, the wider alcohol harms across the borough should also be considered. Tameside has some of the highest levels of alcohol harm in England and locally across Greater Manchester. Tameside has the 8<sup>th</sup> highest alcohol related death rate in the country; 7<sup>th</sup> highest rate of alcohol sold through off trade in

the country; and 10<sup>th</sup> highest level of dependant drinkers in the country. This demonstrates the high level of harm and the impact that alcohol has across our wider population in Tameside.

Further evidence also demonstrates that increasing the availability of alcohol, particularly via off-sales premises, contributes to increased levels of alcohol related harm. This could relate to direct harm where alcohol is immediately consumed prior to or when driving a motor vehicle at a premises of this nature, frequently visited by people driving. This also relates to the wider and longer term harms of increased alcohol availability in the area which may increase alcohol visibility and could also drive down prices due to local competition. One insight from the research shows that *"off-sales outlets have the greatest potential for alcohol-related harm, due to their cheaper product, large volumes obtainable, accessibility for under-age drinkers, and the absence of control over the final recipient"*.

Overall, we have assessed this LSOA within which this premises is located, as having relatively low levels of alcohol-related harm compared to other parts of the borough for both health and crime, however nearby areas do experience much higher levels of harm. The wider alcohol-related harms experienced by people across Tameside should be considered as well, as the evidence suggesting that further increasing the density of off-sales premises can increase alcohol related harms in general. The increased availability of alcohol from this premises, particularly the application for a 24-hour off-sale license, will increase alcohol availability and potentially increase the risk of alcohol related harms, which is a matter of public safety. The prospect of passing trade and customers from wider areas could also potentially increase the risk of public nuisance and crime & disorder in the area.

Based on this information I think it is appropriate to consider refusal of, or applying conditions to this new off-license premises application, as the evidence we have indicates that further increasing the density of licensed premises and the availability of alcohol, particularly a 24-hour license, could increase the level of alcohol-related harm.

Good afternoon Mike I hope your well?

I would like to formal object to the proposed license for the garage on Droylsden Road, Audenshaw bordering on my ward to serve alcohol 24 hours.

I do not believe this would be in keeping with many of the other shops around the area but my main concern is that this will increase anti-social behaviour on Lees park which over the years we have done many projects on the land to improve the area.

There are no other shops in the locality serving alcohol at these times and it just seems totally unreasonable to allow such a shop to now start.

Kind regards,

Complaint details I wish to object to the application for an alcohol and food licence by retail Fuels Ltd. at Audenshaw Service Station 1-17 Droylsden Road Audenshaw M34 5SP. My objection is that this is a petrol station and in my opinion should not be allowed to sell alcohol in view of the Drink Driving laws. There are sufficient outlets in the immediate area to satisfy the needs of anyone requiring alcohol and most certainly not for the 24 hours proposed, in addition, the application to supply food is also unnecessary as again there are adequate outlets in te area. if this application is allowed the high probability of the Drink Driving law would be broken. Please reject this application.
