

The Tameside pledge was co-produced with young people who are equal partners in designing our pledge for Cared for young people. We strongly believe that those who use our services are best placed to design it.

While you are in care we are your corporate parents. In Tameside we take this responsibility seriously and we will only promise you things we believe we can do

Our Pledge to all our Cared for Children is that we will:

- Prioritise your health and wellbeing
- Listen to what you say and take your views seriously
- Help you understand your journey and what's happening in your life
 - Provide a place for you to live that make you feel safe
- Make a plan with you that will explain how we will look after you
 - Ask you what you think you need
- Act on what you have told us and get back to you quickly
- Help you to participate in having your voice heard and in doing so help us make our services better for you
 - Provide opportunities to meet other young people
- Recruit permanent staff with you so that we are choosing the best workforce for our young people
- Expect all professionals who work with you such as social workers, support workers and Independent reviewing officers to give you the time you need to build relationships with them
