Participation on Outside Bodies and Partnerships

I have taken part with outside bodies and partnerships by telephone.

Constituency Work and Local Issues

During the past year, I have taken many calls in relation to fly-tipping, issues for the Engineers department; refuse complaints, issues with GP services and many other personal problems during the Covid pandemic, which my constituents have contacted me to discuss.

Members Advice Surgeries

There have been no face-to-face advice surgeries during the pandemic but my constituents have my home phone number and have contacted me many times during the past year.

Training and Development

I have attended all Elected Member training sessions, which took place on Zoom.

I have also taken part in meetings about the boundary changes, Manchester transport and green belt discussions all on Zoom.

Achievements during the Year

It has been an extremely difficult year, but I feel that during this time I have provided support for our constituents during these very difficult times.
