

Councillor's Name
Doreen Dickinson
Ward Name
STALYBRIDGE SOUTH
Annual Report of Activities 20/21

This year has been very different to previous years with the Covid situation, all meetings have been on teams or zoom. No surgeries. People have still contacted me by email or phone so I have still managed to sort out their problems. I have shopped for the elderly and taken people for hospital appointments all very covid safe.

Participation at Council Meetings and Panels

I have attended all meetings of panels that I am on except for missing one Council meeting and one planning meeting.

Participation at Stalybridge Neighbourhood Forums

I have attended Stalybridge Neighbourhood Forums

Participation on Outside Bodies and Partnerships

I am Vice Chair of Transport for Greater Manchester and within that role I chair the Metrolink and Rail Committee. I also chair the GMATL (Ring and Ride) committee. I attend all meetings.

Constituency Work

As previously mentioned this has been very different this year but I have still managed to keep in touch with residents and do some litter picking, also drive round and check on the ward.

Training and Development

I have attended various training courses throughout the year.

CONSERVATIVE PARTY MEETINGS

I attend all party meetings and attend Greater Manchester Conservative Leaders meetings.
