### **Achievements during the Year**

Representing & supporting the community of Longdendale through the last year during COVID-19. Working in partnership with others we have managed to achieve so much including setting up a Helpline that took over 200 calls supporting people with shopping, medication etc. delivered 100 packs of activities per week to children during the summer school holidays, provided toys, books and other gifts for families at Christmas, provided well-being activities and supported Mental Health throughout the year

Receiving recognition of this work from The Lord Lieutenant on behalf of the Queen.

Acquiring the funding and staff hours for a Sexual Health & Contraception Clinic in Hattersley.

Acquiring funding to set up a Community Kitchen, to begin tackling the issue of food insecurity.

Acquiring Wi-Fi connection at St. Barnabas Church

Taking an active part in the panels and committees, I sit on.

### **Any other comments**

I feel proud to be part of this community; we have worked together, shared our expertise, energy, ideas, enthusiasm, pooled our resources and delivered a wide range of support. I hope we can continue to work collaboratively & co-operatively to build on this good work.
