

**Councillor Phil Chadwick  
Werneth (Hyde) Ward  
Annual Report of Activities 2020/2021**

**Participation at Council Meetings and Panels**

I have attended the following meetings and panels in my role as Councillor.

- Full Council meetings
- Taxi Licencing Panel
- Place Scrutiny meetings.

**Participation on Outside Bodies and Partnerships**

I have attended the Joint Management Committee meetings as a member of the JMC on Werneth Low.

**Constituency Work**

I have been engaged and approachable to all my residents across Hyde Werneth on a variety of issues, such as potholes, neighbour disputes, issues with emptying of bins, COVID restriction business grants, road resurfacing requests, streetlights etc.

I also assisted residents at the start of the pandemic and continue to do so by being a point of call in the ward for any resident who needed support with shopping and any other issues that they needed. I was a judge for the community GX Brabyns Scarecrow festival and worked with local businesses and the local community with the VE day celebrations and Christmas celebrations as well.

**Training and Development**

I have attended member development sessions on Covid, greenbelt and others.

**Achievements during the Year**

This past year has been very challenging for all sorts of reasons and it has been great to see the community come together in its hour of need.
