DECISION:	To APPROVE, a commitment of £15m to an Investment Fund focussed on SME senior secured debt and £15m to a related North West Focused Co-Investment Fund, subject to satisfactory completion of outstanding legal documentation.
DECISION TAKER:	Sandra Stewart
DESIGNATION OF DECISION TAKER:	Director of Pensions
DATE OF DECISION:	11 October 2021
REASON FOR DECISION:	<p>The Panel approved an allocation of up to 1-2% of total assets of total assets to the Impact Investment portfolio on 24 June 2021. The report includes an analysis of the required pacing of commitments necessary to meet the target allocation within a reasonable and sensible timeframe, whilst also prescribing appropriate diversification targets on the portfolio. The Local Investments team is responsible for selecting managers and funds consistent with the approved strategy.</p> <p>The Director has delegated authority to sign off investments of this nature.</p>
ALTERNATIVE OPTIONS REJECTED (if any):	The Local Investments team regularly review SME debt funds and Managers on an on-going basis. Recent competitor funds have been assessed but not progressed at this stage.
CONSULTEES:	The team has taken appropriate reference calls with relevant parties and consulted with GMPF's Investment Committee. There is a consensus that the Fund-manager is a credible manager and that this constitutes an appropriate investment for GMPF's Impact Investment Portfolio.
FINANCIAL IMPLICATIONS:	As set out in the report.
LEGAL IMPLICATIONS:	As set out in the report.
RISK MANAGEMENT:	<p>Whilst the fund manager is a well-regarded and long-standing credit investment manager, there is always a risk that any individual fund will not deliver on its promised returns due to either specific issues with investments or due to broader asset market factors.</p> <p>Associated risks with SME debt investing have been considered in the investment memo, with associated mitigants also described. The fund's strategy will provide additional diversification to the Impact Investment portfolio.</p>
