Dear Mrs Eaton

I am writing with regard to the above matter and in response to the letter dated 18th November 2021, from Mr Adil Khurshid, which included a screen shot of a text sent by myself to Mr Adil Khurshid and Mr Tasadaq Ahmed.

Mr Khurshid wrongly claims that the text was sent to him by mistake. I include additional screen shots of text messages, which clearly shows Mr Khurshid received messages from me. The texts evidence that Mr Khurshid assisted me in obtaining payment of £175.00 for the transfer of the premises licence. Mr Khurshid also assisted me in obtaining identification documents for Mr Ahmed, which were required to progress the application.

The claim by Mr Khurshid that I sent him the text by accident is incorrect. The message was sent to both Adil and Tasadaq. The first part confirmed to Mr Ahmed that I was progressing his personal licence. The second part of the text was sent to Mr Khurshid specifically to express my concern with regard to the disclosure by Tameside Licensing that the consent signed by Mr Ayoob was not his signature. Mr Khurshid did not reply to my text.

Mr Ahmed had expressed his concern about why there was a query about consent, which is why referenced my surprise to (Mr Khurshid), in the text, that there was a doubt about consent to transfer, as I was acting on his behalf. Although I accept I did not mention Mr Khurshid by name, the message was sent to both men intentionally.

I wish this letter and my attached screen shots to be circulated and submitted as supplementary information

Your Sincerely
