Members of the Panel discussed the letter of the Scrutiny Chairs and the announcement in the Autumn Budget that Tameside had been awarded close to £20m for restoration and development in Ashton-Under-Lyne. Members of the Panel highlighted that approximately £200m had been removed from the Council's funding since 2010, however, the £20m awarded for redevelopment in

Members of the Panel enquired on the metric in the scorecard with the objective of increasing the number of good quality apprenticeships delivered. It was noted that the number delivered had fallen.
