Neighbourhood Police Surgery

NBO's/PCSO's have been setting up stalls on their beats throughout March to give advice, support and gather intelligence whilst building strong relationships with residents.

The teams have also been collecting donations at surgeries to support the Ukraine appeal, all donations have been given to our local Ukraine association in Ashton.

The surgeries have already had such a massive impact on neighbourhoods throughout Tameside, with such positive reviews.

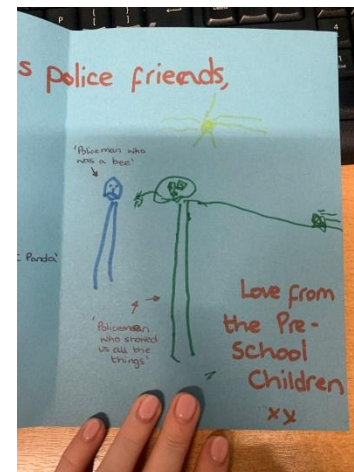

Hill Top Day Nursery Visit

On Tuesday 8 March, Pc Lawton, Stalybridge PCSOs, Oso's Stanger and Keenan (as the GMP panda) attended Hill Top Day Nursery where they give the under 3's class an informative talk about the work Greater Manchester Polices Neighbourhood teams do around them.

Following the talk the children were able to ask questions, look at the equipment officers carry daily and have their photos taken with the police vehicle whilst wearing a police officer's hat.

The children were mesmerised by the officers as well as the our vehicle!

Vehicle Crime Disruption!

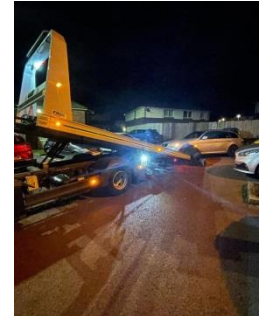

Whist on patrol over two sets of shifts, officers on the east have seized and recovered nine vehicles that were either on false plates or stolen.

Great disruption to vehicle crimes across the east!

Vehicle crimes can often lead to more serious criminality, example: death by dangerous driving.

Stalybridge Street Fest

A family friendly community event for those with penchant for good food, good drink, good music and good friends.

This has been a great opportunity for our NBOs to make positive relationships with the residents of Tameside. It's also an opportunity for the community to ask questions, get advice and provide feedback.

Andy Burnham attended the event on Friday 11 March, He took the opportunity to speak with our officers and praise them for their work!
