### **PART 1 – INITIAL SCREENING**

*An Equality Impact Assessment (EIA) is required for all formal decisions that involve changes to service delivery and/or provision. Note: all other changes – whether a formal decision or not – require consideration for an EIA.*

*The Initial screening is a quick and easy process which aims to identify:*

- *those projects, proposals and service or contract changes which require a full EIA by looking at the potential impact on, or relevance to, any of the equality groups*
- *prioritise if and when a full EIA should be completed*
- *explain and record the reasons why it is deemed a full EIA is not required*

*A full EIA should always be undertaken if the project, proposal and service / contract change is likely to have an impact upon, or relevance to, people with a protected characteristic. This should be undertaken irrespective of whether the impact or relevancy is major or minor, or on a large or small group of people. If the initial screening concludes a full EIA is not required, please fully explain the reasons for this at 1e and ensure this form is signed off by the relevant Contract / Commissioning Manager and the Assistant Director / Director.*
