Application for a Premises Licence by Mottram Cricket Club

To whom it may concern

I would like to point out that 54 Broadbottom Road is not part of Mottram Cricket Club. It is a private dwelling none of which belongs to the cricket club. I would therefore like 54 to be removed from the application. This error has been made clear to the cricket club on more than one occasion.

I have no objection to the times applied for on this current application.

However, I would ask that the music - live and recorded and the consumption of refreshments is restricted to the clubhouse and terrace only. This would not only isolate the level of noise but also, from a health and safety point of view, contain the amount of food and glassware etc left outside encouraging vermin.

On 14/03/22 a meeting was held at Mottram Cricket Club attended by representatives of the cricket club, neighbours who had made representation and a council representative.

It was agreed at that meeting that neighbours would be given notice of extraordinary events that may impact on access to their property and parking on Broadbottom Road.

This was part of the previous application but I would hope that this courtesy would apply to the current licence application.
