

Report to:	HEALTH AND WELLBEING BOARD
Date:	19 January 2017
Board Member / Reporting Officer:	Paul McGarry, Strategic Lead, Greater Manchester Ageing Hub
Subject:	GREATER MANCHESTER AGEING HUB
Report Summary:	The attached presentation gives an update on the work programme of the Greater Manchester Ageing Hub. The Greater Manchester (GM) Ageing Hub has been created so that GM partners can coordinate a strategic response to the opportunities and challenges of an ageing population.
Recommendations:	The Health and Wellbeing Board are asked: <ul style="list-style-type: none"> • To note the presentation • To continue to engage with the GM Ageing Hub to ensure alignment of local priorities
Links to Health and Wellbeing Strategy:	The GM Ageing Hub Programme links to the Living and Ageing Well priorities of the Health and Wellbeing Strategy.
Policy Implications:	GM's ambition, as set out in the Greater Manchester Strategy (GMS), is to develop a new model of sustainable economic growth where all residents are able to contribute to and benefit from sustained prosperity and enjoy a good quality of life. The GM Strategy recognises the challenges we will face as the population ages – yet it will be increasingly important to recognise and address the opportunities.
Financial Implications: (Authorised by the Section 151 Officer)	There are no direct implications arising from this report at this stage.
Legal Implications: (Authorised by the Borough Solicitor)	It will be important that the Board receive regular assurance information to understand where resources may need to be focussed and to determine whether interventions are effective as well as understanding the impact of not addressing these issues in terms of finances and outcomes for health.
Risk Management :	There are no risks associated with this report.
