

HEALTH AND WELLBEING BOARD PRIORITY FOCUS AREAS – 17/18

COMMISSIONING STRATEGY VISION : To significantly raise healthy life expectancy (HLE) in Tameside and Glossop through a place based approach to better prosperity, health and wellbeing and to deliver a clinically and financially sustainable local health and social care economy within five years.

<p>A focus on the wider determinants of health and wellbeing, in particular giving children the best start in life and helping people to stay in and return to work, thereby improving their own prosperity.</p>	<p>Early intervention and prevention across the life course to encourage healthy lifestyles and promote, improve and sustain population health.</p>	<p>Creating the right care model so that people with long term conditions are better supported and equipped with the right skills to look after themselves and manage their conditions more effectively, reducing dependency on the health and social care system by promoting independence.</p>	<p>Supporting positive mental health in all that we do.</p>
