1. PURPOSE OF REPORT

- 1.1 To establish a Greater Manchester Joint Scrutiny Committee to scrutinise decisions of the Clean Air Charging Authorities Committee and the Clean Air Administration Committee.

2. BACKGROUND

- 2.1 The ten Greater Manchester Districts and GMCA established the Clean Air Administration Committee in March 2021 and delegated to the committee -

- the GMCA's and the Constituent Authorities' functions under sections 82 to 84 of the Environment Act 1995
- the GMCA's functions in relation to the Greater Manchester Clean Air Plan (including the taking of action likely to promote or improve the economic, social or environmental well-being of Greater Manchester in connection with it and the use of grants made by the Secretary of State under section 31 of the Local Government Act 2003 to implement that plan).
- the Constituent Authorities functions under the Greater Manchester Clean Air Plan including those under Part 3 of, and Schedule 12 to, the Transport Act 2000 and regulations made thereunder (excluding any decision thereunder that must be taken jointly by charging authorities) including, but not limited to:
 - action required under the Environment Act 1995 (Greater Manchester) Air Quality Direction 2020 (other than the making of the joint local charging scheme);
 - the exercise of their powers under sections 176, 177 and 192 of the Transport Act 2000;
 - the application of the Constituent Authorities' shares of any net proceeds of a joint local charging scheme made by them.
- *The discharge of such functions includes the doing of anything which is calculated to facilitate, or is conducive or incidental to, the discharge of any of those functions.*

- 2.2 The Clean Air Charging Committee was established in October 2021 by the ten districts with the following functions:

The Committee shall have power to take all such decisions of the Constituent Authorities (as charging authorities) that must be taken jointly under Part 3 of, and Schedule 12 to, the Transport Act 2000 and any regulations made thereunder.

This includes, but is not limited to:

- *Making and varying a joint local charging scheme order;*
- *Decisions of the charging authority under such a joint local charging scheme and the Road User Charging Schemes (Penalty charges, Adjudication and Enforcement) (England) Regulations 2013.*

3. SCRUTINY

- 3.1 Decisions of both committees are currently subject to Scrutiny by each District. However, as the Committees are jointly exercising the functions of the authorities it is proposed that the Scrutiny arrangements are also exercised jointly. This will enable decisions to be scrutinised more effectively and efficiently and on a Greater Manchester basis and across both Committees.
- 3.2 Proposed Terms of Reference for the GM Scrutiny Committee are attached at Appendix A and recommendations are set out at the front of this report.

APPENDIX A
