

Technical drawing showing a cross-section of a sloped roof structure. The drawing includes a human figure for scale. Key dimensions are indicated: a vertical height of 2400, a vertical height of 2000, and a vertical height of 1000. The roof slope is indicated by a dashed line. The drawing is labeled with '3' and '2' on the left side, and 'S' and 'ge' at the bottom left.
