

**Tameside Council
Elected Member
Annual Report of Activities 2022/23**

Councillor Name: Andrea Colbourne

Ward Name: Hyde Godley

Participation at Council Meetings and Panels

I have attended the following meetings and panels in my role as Councillor:
Full council meetings, Liquor Licensing and Education Attainment Board.

Participation on Outside Bodies and Partnerships

I have attended Werneth Low Country Park joint management committee meetings. I have also attended meetings as a member of the Hyde Town Team, now Hyde CIC. I also chair the TLC (Tameside Litter Community).

Constituency Work and Local Issues

I have good engagement with residents within my ward, both in person and on social media, I am available to contact very easily. I work hard in my ward, having received a lot of casework problems in the last 12 months, which have consisted of overhanging trees, litter, fly tipping, broken grids, faulty street lighting, traffic problems, parking, speeding, vandalism etc. Most of these issues have been dealt with by me and the council or via the police.

I walk around the ward regularly and report potholes, grids, trees etc any other problems I spot. I litter pick regularly. I also have PACT meetings with police.

Members Advice Surgeries

As a ward Councillor I am contactable and have found that if people need me, they do get in touch by various means. If a visit is needed with a resident, I can meet with them whenever is convenient to them.

Training and Development

I have attended any training and development sessions put on.

Achievements during the Year

I am hoping to get some sort of crossing on Mottram Road, Hyde so elderly and vulnerable residents can cross without fear. Getting problems sorted for residents is an achievement and I'm proud to represent the area in which I live. I work hard all year round.

Any other comments
