Participation on Outside Bodies and Partnerships

I have attended some Stalybridge Neighbourhood Forums, I think these meetings should involve the public as DA's did, where people could ask any questions of the Council but these Neighbourhood Forums have a set agenda nothing to do with Stalybridge most of the time, reports on policy so people have stopped attending this is not opening up democracy or transparency.

Constituency Work and Local Issues

I am Vice Chair of Transport for Greater Manchester and within that role; I chair the Metrolink and Rail Committee. I also chair the GMATL (Ring and Ride) committee. I attend all meetings.
