

**Tameside Council
Elected Member
Annual Report of Activities 2022/23**

Councillor Name: Jean Drennan

Ward Name: Ashton St Michael's

Participation at Council Meetings and Panels

I have an excellent record of attendance for all Council meetings including scrutiny panels.

Participation on Outside Bodies and Partnerships

I regularly attend residents / home watch meetings with my ward colleagues.

We are always looking to add as many meetings as possible around the ward to help and assure residents.

I am also a regular attendee of the St. Michaels Police and Communities Together or PACT meetings.

Constituency Work and Local Issues

I partake in many community initiatives including litter picking and supporting St. Michaels local community groups.

I also like to walk around the area chatting to residents to see if they have any concerns and help accordingly.

Members Advice Surgeries

I hold regular advice surgeries at Hurst Methodist Church on Curzon Road.

Training and Development

I have attended all member development and training sessions provided by Tameside Council.

Achievements during the Year

I continue to be very proactive as a Tameside Councillor. I have helped to combat the continuous fly tipping in deprived areas and I continue to support the St. Michaels community with whatever they need at all times. I have also dealt with many personal pieces of case work attentively and

professionally.

Any other comments

I love being a Councillor for St. Michaels and I really enjoy working as a team with my fellow ward colleagues. I continue to gain so much knowledge and experience during my two years as a Councillor.

I look forward to, hopefully, learning more and working hard on behalf of the people of St. Michaels ward.
