**Constituency Work and Local Issues**

I have dealt with many constituents' enquiries throughout the year including issues such as refuse, bins, road conditions, street lighting, council tax and various council related issues.

I am in contact with constituents on a regular basis, via e-mail and telephone. We held the popular pensioners parties, which are always extremely well attended and thoroughly enjoyed.

We have concentrated on cleaning up the area, dealing with fly-tipping.

Every first Monday of the month at Dukinfield Town Hall.

**Training and Development**

I have attended on line and in house all training sessions specifically designed for Elected Members.

Became a Community Champion.

**Achievements during the Year**

I have worked hard throughout the year and built new relationships within the ward. I have supported Many events and encouraged Bame communities to be part of it.

It is also an honour to Chair the Health and Social Care scrutiny Panel.

**Any other comments**

It has been an honour and a privilege to represent the fantastic people of Dukinfield on Tameside Council.

I look forward to continuing working with local residents to try and resolve their issues.
