Participation at Council Meetings and Panels

I have attended the following meetings and panels in my role as Councillor. Full council meetings, Taxi licensing panel, and Place Scrutiny.

Participation on Outside Bodies and Partnerships

I have attended Hyde War Memorial Trust meetings as a representative of Tameside Council. I have also attended meetings as a member of the Hyde Town Team, now Hyde CIC. I have also organised community litter picks in my role as chair of a neighbourhood watch group

Constituency Work and Local Issues

I have been engaged and approachable to all my residents across Hyde Werneth on and off Social Media on a variety of issues, such as potholes, neighbour disputes, issues with emptying of bins, road resurfacing requests, repairing of streetlights etc. I have attended the Remembrance Sunday services and have worked with local businesses and the local community with the Christmas celebrations. I have also worked with the police for various initiatives within the ward.

Members Advice Surgeries

I hold my councillor surgeries and in partnership with the local neighbourhood policing team which are held at Gee Cross community centre

Training and Development

I have attended member development sessions.

Achievements during the Year

I work hard for residents all year round, day in day out. This was recognised by bucking the national and local trend by being re-elected in first place in the all-out elections winning a 4-year term ahead of Labour.
