**Members Advice Surgeries**

All surgeries are now held by request. At the request of residents, a surgery was held at Holy Trinity Community Centre.

Telephone and email have replaced the need for regular surgeries.

**Training and Development**

During the Year various meetings have been held by Skype, Teams or Zoom all have required various degrees of training.

**Achievements during the Year**

Trying to help people during the Pandemic has been very difficult and it has delayed many schemes but I am pleased that the renovation of Oxford Park has at last started and is due for completion in June 2023
