A review is being sought under the following grounds:

- THE PREVENTION OF CRIME AND DISORDER
- PUBLIC SAFETY

Please provide as much information as possible to support the application (please read guidance note 3)

Greater Manchester Police believe that the management of the premises have not upheld the licensing objectives in relation to the premises licence - specifically Prevention of Crime and Disorder and Public Safety.

At approximately 03:10hrs on Monday 24th July 2023 a serious assault occurred close to the Back to the 80's Bar 37 Market Street Stalybridge whereby the victim had been inside the bar. He was asked to leave the premises and was subsequently ejected from the premises and the shutters were closed ,

After ejection an off-duty member of door staff and a member of bar staff who was working at the premises have then come out from the premises and proceeded to attack the victim kicking him to the floor and then seen on CCTV to hold the male down whilst the other proceeds to kick and stamp on the victims head as a result the victim has received a deep gash to the nose and facial injuries.

Police attended the incident along with colleagues from North West Ambulance Service, the victim received treatment and the offenders were identified at the scene and subsequently arrested.

A member of door staff who was on duty at the time of the assault came out from the premises after the attack and called an ambulance, however this individual was uncooperative with the Police upon arrival.

The victim of this assault has been treated for his injuries at hospital and is co-operating with Police.

Officers have viewed the footage of the CCTV at the premises and the Council controlled CCTV outside the premises which shows the assault taking place.

This investigation is currently in its infancy and police enquiries are continuing into this serious incident. This a serious assault resulting in potentially serious injuries.

The premises licence holder of this premises has previously been engaged with by licensing officers in relation to other serious incidents which have taken place within, or immediately outside the premises. It is particularly concerning that the most incident involves staff members seriously assaulting a customer.

On 26th July 2023, a meeting took place between the premises licence holder, Greater Manchester Police and the Licensing Authority. The purpose of the meeting was to discuss the incident on 24th July 2023 and to seek reassurance that licensing objectives would be promoted with immediate effect. Greater Manchester Police gave serious consideration to submitting an Expedited Review. The result of the meeting was to agree a reduction of licensable hours on a Sunday and an increase of door staff from 9pm until 20 minutes after the premises closes on Thursday, Friday, Saturday and Sunday.

In order to ensure the licensing objectives and the prevention of crime and disorder and public safety are being promoted, Greater Manchester Police request that the licensing authority consider the suspension of the premises licence until the full review is heard before the committee.

I feel that a permanent reduction of hours and increased door staff to be in place at

the premises is necessary and proportionate to ensure the licensing objectives are promoted, public safety is improved and the likelihood of further incidents is reduced.
