Industrial action summary

The latest junior doctors' industrial action took place between Wednesday 3 January (7am) and Tuesday 9 January (7am).

The strike coincided with a typically busy period for NHS services post-Christmas and early into the New Year. However, all urgent and emergency care services were fully covered, with consultant and specialist doctors filling gaps of junior doctors who took industrial action.

Some routine elective activity had to be cancelled and our teams are working to have these rearranged as soon as practically possible. All cancer services continued as planned.
