PC 14627 Thriley

Signed:

Incident / Crime No.: 2406 7/6/19

Laboratory Ref.:

GMP's Agenda
Meeting with M Bonilla / N Ogden
Monday 10 June 2019
The Angel, 147 Hyde Road, Denton

The meeting commenced with a review of the incident which occurred on 07/06/19

Incident Number 2406 070619

Crime No 148014p/19 & 148020u/19 (Section 18 Assaults)

This is still a Police Investigation of which the Investigating Officer will discuss any ongoing enquiries with regards to the criminal investigation.

I feel it appropriate and proportionate to take action to rectify the problems.

By tackling the problems in the spirit of the licensing act, by highlighting the issue and working together we will be in a stronger position to eradicate the problems at The Angel Pub. There have to be better attempts to take strong action to remove the OCG element, which were putting staff and customers at risk of violence and putting the licence at risk.

The following recommendations are being sought by the Licensing Officer for Tameside.

1. Age limit for customers of No under 21's
2. The implementation of SIA 'Approved' Doorstaff working Friday – Sunday between 2000hrs – ½ hour after closing time. 3 Doorstaff within these times and for any sporting event being shown on the premises.
3. Door staff to have access to a metal detecting wand – Wand available
4. There will be a no search no entry policy – with signs (At staffs discretion) – This will be maintained.
5. Only Polycarbonate glasses to be used on and off the premises at all times.
6. CCTV will be maintained covering each entry and exit point of the premises.
7. Sale of alcohol to conclude at 11.30pm
8. Opening hours will be limited at 00.00hrs

Matthew and Natalie were informed of the action that the Police were proposing in a bid to maintain the licensing objectives, reduce the number of incidents at the premises and the number and frequency of calls about incidents in and around The Angel Public 147 Hyde Road Denton.

The reason for this is an attempt to reduce crime and disorder and to improve and make a difference to the Denton area of Tameside.

It is hoped that you will agree on this first meeting. If these conditions are not agreed I will have to give consideration for an application to review the Licence accordingly.

Martin Thorley
