

To Whom it may concern

I am putting in writing my objection to the proposed variation to increase the shop hours from 8am to 1am Monday-Sunday.

As the resident that lives next door to the premises I have Major concerns regarding what sort of person would be frequenting an off license at such a late hour to buy alcohol. I feel the shop would become a target for nuisance youths who already congregate (when the shop was open) on the shops metal paper box directly under my front room window.

The noise that comes from the shop being open is enough of a problem for me during the day never mind until 1am.

I have grandchildren who stay over on a regular basis who's bedrooms are at the front of the property and would be disturbed by the shop being open so late.

This is a heavily populated residential area with many children and elderly residents around and I see no benefit to any of us with this proposed change.

I also have concerns with Mr Ali's intentions as the shop has been closed for well over 18 months used only for storage and the occasional person residing above.

Yours sincerely
