Please state the ground(s) for review (please read guidance note 2)

On 20 March 2020, the government via a Prime Ministerial address to the nation and in response to the Coronavirus pandemic, gave a direction for all pubs, bars and restaurants to close and not to reopen until directed to do so.

The Health Protection (Coronavirus, Business Closure) (England) Regulations 2020, came into force on 21 March 2020.

These Regulations require the closure of specified businesses – including restaurants, cafes, bars and public houses - in which food and drink are sold for consumption on its premises.

On Saturday 21 March 2020 at approximately 14:30, PC Dench, Neighbourhood Beat Officer for Mossley attended the Billy Goat, Stamford Street, Mossley.

Although the front door of the premises was closed he noticed that customers were inside.

The Police Officer reports that there were approximately 30 people on the premises. Upon arrival, PC Dench spoke with the Designated Premises Supervisor (DPS) who was working behind the bar and instructed the DPS to close immediately and said that he would return within 30 minutes. CCTV shows that during this period, drinks continued to be served to customers during this period.

Both the DPS and Premises Licence Holder were aware that the premises should not have been open on 21 March 2020, but decided to open the back door of the premises and allow customers inside for a pre-arranged gathering.

By being open, allowing persons to attend the premises and consume alcohol on the premises, this put the public at risk of contracting the virus and passing it on to others.

The DPS/PLH and management of the premises have seriously undermined the Licensing Objectives of Prevention of Crime and Disorder, Public Safety and Public Nuisance.

Please provide as much information as possible to support the application (please read guidance note 3)
