1. BACKGROUND

- 1.1 The Audit Findings Report (ISA260), as attached at **Appendix 1**, is a standard report delivered by the External Auditors – Grant Thornton.
- 1.2 The report highlights the key issues following the results of the audit carried out by Grant Thornton on the Council's Statement of Accounts for the year ended 31 March 2016. A separate **Appendix 3** considers the audit of the accounts of the Greater Manchester Pension Fund. Once these have been considered, the audited accounts can be agreed (subject to any further changes that are proposed by the Panel).
- 1.3 Many of the terms used in the report are defined and have precise meanings. Grant Thornton has guideline formulae which specify the importance of any adjustments they recommend. These are specific to each Council, but any recommended changes must be considered for their individual and overall impact on the accuracy of the accounts as well as for the specific value of the change. For Tameside MBC, amounts around £250,000 or less are regarded as 'trivial'. Amounts which are above this level but (in total) less than about £10m are described as 'non-trivial'. Cumulative amounts above £10m are regarded as material, although this may vary for different statements.

2. INTRODUCTION

External Auditor – Grant Thornton

- 2.1 This is the fourth year that Grant Thornton has audited the accounts. The Panel will be aware that subsequent to the Department for Communities and Local Government announcing that the Audit Commission had been wound up, audit work within the North West Region is now carried out by Grant Thornton.

Financial Statements

- 2.2 There have been minimal changes in the requirements for the 2015/16 accounts. Details of the proposed accounting policies, critical judgements made in applying the accounting policies and assumptions made about the future and other major sources of estimated uncertainty within the accounts were outlined to Members in May 2016, in preparation for the closure of the accounts.
- 2.3 The accounts have been prepared by Officers on behalf of the Council. Following the conclusion of the audit, possible adjustments are recommended to the Panel by Grant Thornton, as set out in the Audit Findings report in **Appendix 1**.

3. OUTCOMES OF THE AUDIT

- 3.1 This year has again proved to be a very challenging year to close the accounts. The finance team has continued to reduce in size following the previous service review and efficiencies have needed to be embedded into the closure process for 2015/16.
- 3.2 Despite these challenges, the year end closure of the accounts and the subsequent external audit process has been completed within the statutory timescales and the conclusion of the audit indicates that the accounts continue to be prepared to a high degree of accuracy and reliability. Members should take considerable reassurance from the reliability of the accounts. Once again, this year the auditors have been very positive about the overall quality of the accounts and they have commented on the high level of support given by Council Officers.
- 3.3 The audit identified a small number of minor adjustments and presentational changes to the accounts, as detailed in the Audit Findings report prepared by Grant Thornton (attached at

Appendix 1). Members are advised that none of the adjustments altered the reported surplus on the Council's General Fund Balance. A number of changes were made to improve the disclosure notes to the financial statements, but these had no impact on the overall financial position of the Council.

3.4 It should be noted that the absence of any impact from these changes on the General Fund Balance confirms that they are technical and presentational and do not change the financial position of the Council first calculated by Officers.

3.5 Officers are currently reviewing the outcomes of the audit and the recommendations arising from it to identify changes needed to improve the closure process in 2016/17.

4. LETTER OF REPRESENTATION

4.1 **Appendix 2** includes the Council's Letter of Representation for 2015/16. The Panel are asked to confirm that the Council has complied with all matters set out in the Letter of Representation and ensure that a signed version is forwarded to the External Auditor

5. VALUE FOR MONEY

5.1 Grant Thornton is also required to provide a value for money conclusion. The conclusion as set out in Section 3 of the Audit Findings Report (**Appendix 1**) follows a review of the arrangements put in place by the Council to:

- Secure economy, efficiency and effectiveness in its use of resources
- Ensure proper stewardship and governance
- Review regularly the adequacy and effectiveness of these arrangements

5.2 Grant Thornton is required to give a value for money conclusion based on the following criteria:

- Proper arrangements for challenging how it secures economy, efficiency and effectiveness

5.3 The outcome of this detailed review is included in Section 3 of the Audit Findings Report (**Appendix 1**). The key findings from this are as follows:

5.4 *Grant Thornton has issued an unqualified value for money conclusion stating that the Council has proper arrangements for challenging how it secures economy, efficiency and effectiveness in its use of resources.*

5.5 For the fourth year the Council has been awarded green (the most positive outcome) in all categories this demonstrates the council is well placed to deal with the financial challenges that it is faced with. The definition of green is that the authority has adequate arrangements in place.

5.6 This outcome is extremely positive within the current financial environment. This reemphasises that the authority has the support of officers, members, internal and external audit in ensuring that strong financial management continues.

6. RECOMMENDATIONS

6.1 As set out at the front of the report.
