| <b>Financial Implications:<br/>(Authorised by the<br/>statutory Section 151<br/>Officer &amp; Chief Finance<br/>Officer)</b> | The Statement of Accounts 2020/21 provide full details of the Council's financial position at 31 March 2021 and its income and expenditure for the year there ended. The accounts are prepared in accordance with the CIPFA Code of Practice for Local Authority Accounting which is based on International Financial Reporting Standards. The Council is required to prepare draft financial statements for 2020/21 by 31 July 2021. These draft financial statements will now be subject to external audit and audited statements approved by 30 September 2021.  |
| <b>Legal Implications:<br/>(Authorised by the<br/>Borough Solicitor)</b>   | The Local Audit and Accountability Act 2014 (the Act) governs the work of auditors appointed to authorities and other local public bodies. The Act, the Accounts and Audit Regulations 2015 and the Local Audit (Public Access to Documents) Act 2017 also cover the duties, responsibilities and rights of local authorities, other organisations and the public concerning the accounts being audited. Non compliance with these provisions could lead to the issue of an advisory notice by the External Auditor, with the ultimate sanction of judicial review, as only a court can ultimately decide whether a local authority's decision, or failure to decide something it should have, is unlawful. |
| <b>Risk Management:</b>  | The external audit provides external verification of the Council's financial statements. By producing the annual Statement of Accounts, the Council aims to give all interested parties confidence that the public money that has been received and spent, has been properly accounted for and that the financial standing of the Council is secure.  |
